Under DWD's rules, typically job access loans already must be paid back within 12 months. The maximum loan amount, which may be used for car repairs or other needs, is \$1,600. Are you sure you want to lower the maximum job access loan amount for car repairs or purchases to \$1,000? On the theory that that may not actually be the intent, I have not included the limit. If I made the wrong assumption, please let me know and I will redraft this amendment.
