[REDACTED] Admin [REDACTED]

[REDACTED] This amendment would provide \$700,000 annually for the duration of the state/tribal gaming compact to design and implement new work-based learning programs. This amendment will also use funds to support existing work-based programs at the College of Menominee Nation and Lac Courte Orielles Ojibwa Community College.

The Work-Based Learning Board would grant expenditures of funds to the two colleges upon approval of proposals. Programs already in existence include nursing, entrepreneurial training and technical assistance, computer science, WisDOT Partnership, and a number of others.

[REDACTED] None. The amendment reallocates funding from the balance in the tribal gaming segregated account this biennium. If the amount available in the segregated account is insufficient, the remainder would be taken from the tribal gaming economic development and diversification grant and loan programs.

### D-Note

FB Based on information provided by Ron Shanovich of the LFB, it will not be necessary to take money from the Tribal Gaming ~~an~~ economic development grant program to fund the grant to the College of the Menominee Nation. Accordingly, all treatments of the Tribal gaming economic development grant program have been deleted from this draft.

This draft also inserts after "land grant college under 7 USC 301" the provision "as amended to October 20, 1994". The College of the Menominee Nation was recognized as a land grant college on that date. Hence, by including that date, any Tribal colleges recognized after that date would not be eligible for the grant.
