**CREATION OF THE DIVISION OF FORESTRY**

CN 2304

**DESCRIPTION**

This amendment would create a Division of Forestry within the Department of Natural Resources. Currently, all forestry programs within the department are consolidated within a bureau. By elevating forestry to "division level" status, we can (1) help recognize the importance of the forestry industry to Wisconsin; and (2) promote better communication between forestry interests and DNR leadership.

**AGENCY**

Department of Natural Resources

**LRB/FISCAL BUREAU HISTORY**

None

Other division level positions are specified in state statute.

**TOTAL FISCAL EFFECT**

Minimal – no specific estimate available.

This draft creates the division of forestry in the department of natural resources and authorizes one FTE GPR position for the administrator of the division. It authorizes \$100 each fiscal year for the position. Do you want to provide any funds? Do you want to provide more than the \$100? Is the appropriation that is being increased the correct one?
