Re: Public Instruction - Choice and Charter Schools

Milwaukee Parental Choice and Milwaukee Charter School State Aid and Revenue Limit Determinations (LFB Paper #786)

Return to current law governing the calculation of equalization aid and revenue limits relating to eligible pupils attending private schools participating in the MPCP and pupils attending schools in the MCSP.

See LFB Comparative Summary pages 703-05

PUBLIC INSTRUCTION

Milwaukee Parental Choice and Chapter 220 Sender Aid

Motion:

Move to modify the JFC provision relating to the general school aid reduction and lapse which funds the Milwaukee Parental Choice Program (MPCP). Require DPI to determine the total amount of funding necessary to fund the MPCP and reduce the general school aids paid to the Milwaukee Public Schools by one-half of this amount. The remaining one-half of the amount of funding needed to lapse attributable to MPCP would be reduced proportionately from the general school aids of the other 425 school districts.

In addition, modify the reduction in the per pupil count for the interdistrict transfer program (sender aid) to specify that a pupil who transfers to another school district would be counted as 0.75 pupil for school aids and revenue limits beginning in 2000-01, and thereafter, rather than as 0.50 pupil as under JFC. Provide $2,400,000 GPR in 2000-01 for general school aids in order to maintain two-thirds funding of partial school revenues.
