SUBJECT: Recycling Program Proposal

At your request, this memorandum summarizes a proposal to make changes to the recycling funding and expenditures provided in the 1999-01 biennial budget, as amended by the Joint Committee on Finance (ASA 1 to AB 133).

The segregated recycling fund will have an estimated July 1, 1999, unencumbered balance of \$43.3 million. Under ASA 1 to AB 133, appropriations would be \$25,910,600 in 1999-00 with 26.25 positions and \$19,910,600 in 2000-01 with 18.50 positions. The primary revenue to the fund in 1999-01 would be interest income of approximately \$3.5 million.

The proposal would make changes to ASA 1 to AB 133 as described in the following sections. Additional revenues to the recycling fund would be expected to total roughly \$65 million in the 1999-01 biennium from a state tipping fee on certain solid waste. Ongoing annual revenues would be expected to total roughly \$53 million. The recycling fund balance on June 30, 2000, would be estimated at \$4.5 million, as shown in the attachment.

1. *Revenues From a State Tipping Fee.* ~~Impose a state recycling tipping fee of: (a) \$10 per ton on all solid waste except high-volume industrial waste disposed of in landfills in Wisconsin; and (b) \$2 per ton on high-volume industrial waste. Impose an environmental fund state tipping fee to offset the loss in environmental fund revenues from anticipated decreases in the number of tons of solid waste landfilled as a result of the \$10 and \$2 state recycling tipping fee. The environmental fund tipping fee would increase by: (a) 19¢ per ton on all solid waste except high-volume industrial waste; and (b) 1¢ per ton on high-volume industrial waste. The recycling and environmental fund tipping fees would be effective the first day of the first month after the effective date of the bill. Further, exclude waste disposed of by nonprofit corporations under federal Internal Revenue Service code 501 (c)(3) that provide services and programs for people with disabilities or that primarily serves low-income persons and that derives a portion of~~

its income from the operation of recycling and reuse programs, if that waste is not comingled with waste that is subject to the tipping fee. The recycling tipping fee would be expected to generate approximately \$13.0 million in revenue in 1999-00, and annual revenues of \$52.0 million beginning in 2000-01 for the recycling fund.

In addition, exempt state tipping fees paid by municipalities from the budget test under the expenditure restraint program.

While as tipping fees increase the amount of waste landfilled would be expected to decline, the precise effect of increased state tipping fees on the amount of solid waste landfilled is not known. For the purpose of this memorandum, a \$10 per ton fee on solid waste that is non high-volume industrial waste is assumed to result in a reduction of approximately 23% and a \$2 per ton fee on high-volume industrial waste is assumed to result in a reduction of approximately 3%. Due to the lack of more specific data, the revenue impacts must be considered to be speculative.

2. *DNR Municipal and County Recycling Grants.* Increase funding for local recycling grants to \$48,000,000 annually. Additional funding in the biennium would total \$61,000,000 SEG, including an increase of \$28,000,000 in 1999-00 (from \$20,000,000 under ASA 1 to AB 133) and of \$33,000,000 in 2000-01 (from \$15,000,000 under ASA 1 to AB 133).

3. *DNR Municipal and County Recycling Grant Formula.* Direct DNR to distribute the grants on a per capita basis to all responsible units of local government that operate effective recycling programs. Provide that the grant amount would be \$11.45 per capita for population served by curbside collection at least once per month of more than one of the recyclable materials subject to the 1993 and 1995 landfill bans and \$5.85 per capita for population served by drop-off collection. Direct that if the appropriated funds are insufficient to fully fund the grants under the per capita allocation, DNR would be required to prorate the grants. Direct DNR to distribute recycling grants by February 1 of each calendar year.

(c)(b) 20,370(2)(hq)
(c) 20,370(9)(15)

4. *DNR Administration.* Provide the Department of Natural Resources with: (a) one-time funding of \$325,000 in each of 1999-00 and 2000-01 for recycling computer system upgrades; (b) \$15,000 in 1999-00 to restore 0.25 position and \$480,000 in 2000-01 to restore 8.0 DNR Waste Management program staff in the regional offices for administration of recycling law provisions; and (c) \$60,000 in each of 1999-00 and 2000-01 to restore 1.0 DNR grant administration position in the Bureau of Community Financial Assistance. This would provide a total DNR recycling staffing level of 19.0 in each year.

287,25

5. *DNR Waste Reduction and Recycling Demonstration Grants.* Direct DNR to lapse any unencumbered grant appropriation balance exceeding \$500,000 on June 30, 1999, to the recycling fund (estimated lapse of \$500,000). The \$1,000,000 provided under ASA 1 to AB 133 for the grant program in 1999-00 would be deleted, and the \$500,000 appropriated under ASA 1 to AB 133 in 2000-01 would be maintained. This would provide \$1,000,000 for demonstration grants in the biennium.

6. *Commerce Recycling Market Development Program.* Delete \$500,000 SEG annually in the recycling market development financial assistance appropriation to provide \$2,000,000 SEG annually instead of \$2,500,000 under ASA 1 to AB 133. Reestimate the program revenue loan repayments appropriation for financial assistance to be \$2,300,000 PR annually, an increase of \$800,000 annually over the bill (the proposal would provide a total of \$4,300,000 annually for financial assistance, instead of \$4,000,000 under ASA 1 to AB 133 and \$4,000,000 under current law).

Make the following changes related to Commerce staff: (a) delete \$166,100 SEG and 2.0 SEG positions annually; (b) provide that the remaining 2.0 SEG positions would be Commerce recycling market development staff instead of RMDB staff, and would include a loan portfolio manager to manage past and future financial assistance funded by the RMDB and a commodity specialist to develop and direct strategy for recycling market development (these positions would be instead of the executive director and financial specialist under AB 133); (c) eliminate the authorization for an unclassified executive director; (d) delete \$38,700 SEG annually to reflect reduced staff costs; and (e) provide the 2.0 positions as permanent instead of the current project positions expiring June 30, 2001.

In addition, generally restructure the operation of the RMDB similarly to the existing Commerce Development Finance Board, Minority Business Development Board and Rural Economic Development Board, including the following changes: (a) change the membership of the RMDB to delete the currently-designated members and instead include two representatives of responsible units of local governments, two representatives of businesses that market products made from recycled materials, recover recyclable materials or develop markets for products made from recycled materials and the Secretary of Commerce or the Secretary's designee, and specify that the non-Commerce members would be appointed by the Governor for three-year terms; (b) repeal s. 287.40 through 287.48 of the statutes related to the RMDB and instead create recycling market development program provisions under Chapter 560; (c) authorize Commerce to provide grants, loans or manufacturing rebates, after the approval of the RMDB, to a governmental entity or a business entity to assist waste generators in the marketing of recovered materials or to develop markets for recovered materials; (d) require that before the RMDB awards a grant, loan or rebate, the Board shall consider the extent to which the project: (1) maximizes the marketability of recovered materials on a statewide basis; (2) minimizes the amounts of recovered materials disposed of in landfills or burned without energy recovery in incinerators; (3) includes the materials that are banned from landfills that will support community recycling efforts; (4) maintains present markets or creates new or expanded markets for recovered materials; (e) authorize Commerce, after the approval of the RMDB, to request proposals for activities, if Commerce determines that financial assistance is necessary to assist responsible units in the marketing of recovered materials or to develop markets for recovered materials; (f) delete the authority of Commerce to use the SEG or PR financial assistance appropriations for contracts with persons to carry out the duties of the Board (currently the RMDB uses the financial assistance appropriation and as of July 1, 2001, Commerce may use the PR appropriation for contracts); (g) direct Commerce to use the financial assistance

appropriation to annually contract with a materials exchange program that received funding from the RMDB during 1997-99 to operate a statewide materials exchange program; and (h) specify that loan repayments from the former Department of Development recycling market development loan programs (which ended June 30, 1995) be deposited in the RMDB loan repayments appropriation instead of currently being deposited in the recycling fund (this would result in an increase in program revenues of an estimated \$379,200 and a corresponding decrease of segregated recycling fund revenues during the 1999-01 biennium).

20,265 (1)(tb)

7. *University of Wisconsin - Extension.* Provide an additional \$200,000 SEG annually with 3.0 SEG positions for the UW-Extension Solid and Hazardous Waste Education Center for educational and technical assistance related to recycling and recycling market development.

done ~~8. *Corrections.* Provide \$500,000 SEG annually with 4.0 SEG positions to the Department of Corrections to restore the Governor's recommendation for the computer recycling program.~~

~~9. *State Procurement of Toner Cartridges.* Incorporate the provisions of 1999 LRB 0618/1 to require the Department of Administration, every other state agency to which DOA delegates purchasing authority other than the University of Wisconsin Hospitals and Clinics Authority and the World Dairy Center Authority, and state legislative and judicial branch entities to ensure that the specifications that the use for purchasing prohibit the procurement of toner cartridges whose original manufacturer places restrictions on the remanufacturing of the toner cartridges by any person other than the manufacturer. Define "toner cartridge" as any cartridge containing a dry, powdered ink for application to paper by use of a photocopier, laser printer or similar device. Provide restrictions on remanufacturing that include reducing the price of the toner cartridge in exchange for an agreement not to remanufacture the toner cartridge, a licensing agreement on the toner cartridge that forbids remanufacturing and any contract that forbids the remanufacturing or recycling of a toner cartridge. Prohibit cities, villages, towns, counties and other local units of government from purchasing toner cartridges that have such restrictions on remanufacturing.~~

I hope this information is helpful. Please contact me if you have questions.

This is a corrected version of what I sent you yesterday. The 2 changes are:

- 1) definition of nonprofit corporation excluded from tipping fee
(note Barb Worcester talked with Tina Yacker about the term "low-income persons")
- 2) #4 DNR Administration part b - number of positions.

6 “**SECTION 2563dd.** 287.23 (5) (intro.) of the statutes is amended to read:

7 287.23 (5) **GRANT AWARD FOR YEARS BEFORE 2000.** (intro.) The department shall
8 award a grant to each eligible responsible unit that submits a complete grant
9 application under sub. (4) for expenses allowable under sub. (3) (b). Except as
10 provided under sub. (5m) or (5p), the amount of the grant for years before 2000 shall
11 be determined as follows:

12 **SECTION 2563de.** 287.23 (5) (d) of the statutes is created to read:

13 287.23 (5) (d) This subsection does not apply after December 31, 1999.

14 **SECTION 2563dh.** 287.23 (5c) of the statutes is created to read:

15 287.23 (5c) **GRANT AWARD FOR 2000 AND THEREAFTER.** Beginning with grants for
16 calendar year 2000, the department shall award a grant to each eligible responsible
17 unit that submits a complete grant application under sub. (4). Grants under this
18 subsection shall be paid from the appropriation under s. 20.370 (6) (bu). Except as
19 provided in sub. (5m) or (5p), the amount of the grant shall be the sum of the
20 following:

21 (a) The product of \$11.45 times the population served at least once per month
22 by residential collection of at least 2 of the materials listed in s. 287.07 (3).

1 (b) The product of \$5.85 times the population served by a system for collecting
2 materials listed in s. 287.07 (3) taken by individuals to designated collection sites.
3 The population counted under par. (a) may not be counted under this paragraph.

6 287.23 (5e) (a) ~~If~~ For calendar years before 2000, if available funds are
7 insufficient, under sub. (5) (c) 2., to pay \$8 times the population of all of the
8 responsible units that are entitled to that amount, the department shall distribute
9 the funds so that each responsible unit that would be entitled to \$6 times its
10 population if the per person amount in sub. (5) (c) 2. were \$6 receives \$6 times its
11 population and shall prorate the remaining funds.

12 **SECTION 2563dr.** 287.23 (5e) (b) of the statutes is created to read:

13 287.23 (5e) (b) Beginning in 2000, if the amounts appropriated in s. 20.370 (6)
14 (bu) are insufficient to pay all of the grants in amounts calculated under sub. (5c),
15 the department shall prorate the available funds.

16 **SECTION 2563ds.** 287.23 (5m) of the statutes is amended to read:

17 287.23 (5m) ALTERNATE PROCESS. The department shall establish, by rule, a
18 process for distributing grants if the amount that would be awarded under sub. (5)
19 or (5e) exceeds the amount of funds available under s. 20.370 (6) (bq) or (bu).

20 **SECTION 2563dt.** 287.23 (5p) (a) of the statutes is amended to read:

21 287.23 (5p) (a) If a responsible unit submits its application under sub. (4) after
22 October 1 but no later than October 10, the amount of the responsible unit's grant
23 is 95% of the amount determined under sub. (5), (5c) or (5m).

24 **SECTION 2563ed.** 287.23 (5p) (b) of the statutes is amended to read:

1 **287.23 (5p) (b)** If a responsible unit submits its application under sub. (4) after
2 October 10 but no later than October 20, the amount of the responsible unit's grant
3 is 90% of the amount determined under sub. (5), (5c) or (5m).

4 **SECTION 2563eh.** 287.23 (5p) (c) of the statutes is amended to read:

5 **287.23 (5p) (c)** If a responsible unit submits its application under sub. (4) after
6 October 20 but no later than October 30, the amount of the responsible unit's grant
7 is 75% of the amount determined under sub. (5), (5c) or (5m).

8 **SECTION 2563ep.** 287.23 (5s) of the statutes is repealed.
