

**DRAFTER'S NOTE**  
**FROM THE**  
**LEGISLATIVE REFERENCE BUREAU**

LRBb1554/1dn  
RNK:jlg:ksh

June 30, 1999

1. I have included a delayed effective date in this draft to give the parties to the memorandum of understanding sufficient time to ensure that the memorandum complies with the provisions of the draft.

2. You have requested a repeal of certain provisions requiring a person to disclose his or her social security number (SSN). Please note that, under the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), each state must require a person's SSN to be recorded on any application for a professional, driver's, occupational, recreational or marriage license, on any records relating to a judgment of divorce, support order or paternity determination and on every death certificate. A state that fails to enact these requirements risks losing federal funding for child and spousal support enforcement. If enacted, this draft would jeopardize Wisconsin's receipt of federal funds.
