Possible Amendment From SRSC

SRSC #32

RE: Social Security Numbers and Hunting Licenses

This motion would repeal the provision which requires hunting, fishing and trapping license applicants to provide a Social Security number and instead, direct DHFS to acquire the necessary information to track delinquent child support payors through driver's license information, currently available from DOT.

~~Attached is a preliminary draft for your review.~~ You have requested a repeal of ~~the provisions created in 1997 Acts 191 and 237~~ requiring a person to disclose his or her social security number (SSN).[✓] Please note that, under the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), each state must require a person's SSN to be recorded on any application for a professional, driver's, occupational, recreational or marriage license, on any records relating to a judgment of divorce, support order or paternity determination and on every death certificate. A state that fails to enact these requirements risks losing federal funding for child and spousal support enforcement. ~~Wisconsin passed 1997 Act 191 to comply with the PRWORA.~~ If enacted, this draft would jeopardize Wisconsin's receipt of federal funds.
