David,

My aquaculture language was included in a Senate draft (b1459) that had some UW aquaculture language as well. It appears that the Conference committee is taking the Assembly position on my aquaculture language and the Senate position on the UW aquaculture language. If that is correct, Lonnie and I will have to do a new draft that only includes the UW aquaculture language. Then, b1459 should not be included in the Conference superamendment. Am I on the right track here?

Thanks,

Becky
