I notwithstanding the entire s. 85.095<sup>✓</sup>, amended the relevant appropriation, and just required a grant (instead of requiring "a grant under s. 85.095", as was recently done with Northport Harbor), since parts of the intended projects do not appear to be "harbor improvements" within the meaning of s. 85.095 (1) (b)<sup>✓</sup>, stats., and may not meet project criteria established under s. 85.095 (2) (b), stats. I also did not know whether the \* limitations under s. 85.095 (2) (a), sats., would apply.
