Message:

Peter,  
For UW item #17,  
Overseas Market Study,  
Doug/Brett asked that this  
language be incorporated  
in some form relating to  
this additional cash.

Thanks!  
Dave

"Purpose: to determine the feasibility of overseas UW academic programming through a pilot project focused on short courses covering general education and international business and trade (emphasizing agriculture, the environment, and public policy matters that influence the success of such ventures). The UW Institute for Global Studies will evaluate such pilot program offerings and report on its findings, which will be utilized to explore the effectiveness and value of continuing, and potentially expanding, such offerings in overseas locations."
