23 **(4m) BARABOO HILLS.** (a) *Definitions.* In this subsection:

1 1. “Assigned amount” means the sum of the amounts made available for
2 expenditure under par. (g) and the amounts set aside by the department under par.
3 (h) 1.

4 2. “Federal nontransportation moneys” means moneys received from the
5 federal government that are not deposited in the transportation fund and that are
6 not credited to the appropriations under ss. 20.115 (2) (m) and 20.445 (1) (ox).

7 3. “Local governmental unit” means a city, village, town, county, lake sanitary
8 district, as defined in s. 30.50 (4q), or a public inland lake protection and
9 rehabilitation district.

10 (b) *Matching funding.* The department shall provide funding under the
11 subprogram for the Baraboo Hills to match the value of land acquisitions that are
12 certified as qualifying matching land acquisitions under par. (e).

13 (c) *Overall requirements.* 1. The department may obligate not more than
14 \$5,000,000 under the subprogram for the Baraboo Hills.

15 2. The amount of moneys, other than federal moneys, that may be used by local
16 governmental units or nonprofit conservation organizations to make land
17 acquisitions that are certified as qualifying matching land acquisitions under par.
18 (e) may not exceed \$2,500,000.

19 3. Land that is either certified as a qualifying matching land acquisition under
20 par. (e) or (h) 2. or acquired with moneys made available for expenditure under par.
21 (g) or (h) 2. may not be department land or land that is otherwise owned or under the
22 jurisdiction of the state on the effective date of this subdivision [revisor inserts
23 date].

1 (d) *Matching land acquisitions; requirements.* The department may only
2 certify as a qualifying matching land acquisition in the Baraboo Hills an acquisition
3 to which all of the following apply:

4 1. The land is being acquired for conservation purposes.

5 2. The land is being acquired by the federal government, by a local
6 governmental unit or by a nonprofit conservation organization.

7 3. Any federal moneys being used for the acquisition are federal
8 nontransportation moneys.

9 (e) *Matching land acquisitions; certification.* The department shall certify
10 which land acquisitions qualify as matching land acquisitions for the subprogram for
11 the Baraboo Hills and shall determine the values of these matching land acquisitions
12 as provided in par. (f).

13 (f) *Matching land acquisitions; valuation.* The value of a land acquisition that
14 is certified as a qualifying matching land acquisition under par. (e), shall be
15 calculated as follows:

16 1. For land that is acquired by purchase at fair market value, the value shall
17 equal the sum of the purchase price and the costs incurred by the federal
18 government, local governmental unit or nonprofit conservation organization in
19 acquiring the land.

20 2. For land that is acquired by gift or bequest or by purchase at less than fair
21 market value, the value shall equal the sum of the appraised fair market value of the
22 land at the time of the acquisition and the costs incurred by the acquiring entity in
23 acquiring the land. The acquiring entity shall supply the appraisal upon which the
24 appraised fair market value is based.

1 (g) *Matching land acquisitions; available moneys.* For each land acquisition
2 that is certified as a qualifying matching land acquisition under par. (e), the
3 department shall make available for expenditure moneys in an amount that equals
4 the value of the land acquisition, as calculated under par. (f). This paragraph does
5 not apply to a land acquisition that is acquired with moneys committed by the federal
6 government, local governmental unit or nonprofit conservation organization under
7 par. (h).

8 (h) *Matching land acquisitions; future commitments.* 1. In addition to the
9 moneys made available for expenditure under par. (g), the department shall set aside
10 moneys in amounts that equal amounts that the federal government, local
11 governmental units or nonprofit conservation organizations commit for the
12 acquisition of land in the Baraboo Hills for conservation purposes. Federal moneys
13 that are committed under this paragraph shall be federal nontransportation
14 moneys. The department may set aside moneys under this paragraph only for
15 commitments that are made before January 1, 2006.

16 2. For each land acquisition that is made by using moneys that are committed
17 by the federal government, a local governmental unit or a nonprofit conservation
18 organization under this paragraph and that is certified as a qualifying matching
19 land acquisition under par. (e), the department shall make available for expenditure
20 moneys in an amount that equals the value of the land acquisition, as calculated
21 under par. (f), after the acquisition is certified.

22 (i) *Available moneys; uses.* The moneys made available for expenditure under
23 par. (g) or (h) 2. may be used by the department to acquire land in the Baraboo Hills
24 for conservation purposes and to award grants to local governmental units and
25 nonprofit conservation organizations.

1 (j) *Available moneys; grant requirements.* A local governmental unit or
2 nonprofit conservation organization that receives a grant under par. (i) does not need
3 to provide any matching funding. Land acquired with moneys from a grant awarded
4 under par. (i) may not be certified by the department as a qualifying matching land
5 acquisition under par. (e). Grants awarded under par. (i) shall be used to acquire land
6 for conservation purposes in the Baraboo Hills.

7 (k) *Unassigned amount.* If the assigned amount for the subprogram for the
8 Baraboo Hills on January 1, 2006, is less than the available bonding authority, the
9 department shall calculate the unassigned amount by subtracting the assigned
10 amount from the available bonding authority. The department shall then adjust the
11 annual bonding authority for the subprogram for land acquisition by increasing its
12 annual bonding authority by an amount equal to this unassigned amount. The
13 department shall expend any assigned amount that has not been expended before
14 January 1, 2006, for acquisitions, by the department, of land for conservation
15 purposes and for grants that meet the requirements under par. (j).

16 (L) *Highway construction required.* No moneys may be obligated for the
17 subprogram for the Baraboo Hills before the department of transportation certifies
18 to the department of natural resources that highway construction that will result in
19 at least 4 traffic lanes has begun on the portion of USH 12 between the city of
20 Middleton and the village of Sauk City.”

2 subprogram for the acquisition of land.

3 (b) For each land acquisition transaction under this subsection, all of the

24 authority in an amount equal to that available bonding authority or equal to the
25 amount still needed to equal the total amount of the bonds that have not been retired

1 from such proceeds, whichever is less, until the available bonding authority has been
2 decreased by an amount equal to the total of the bonds that have not been retired.

3 (c) Notwithstanding sub. (2) (a) 1., land acquired under this subsection need
4 not be for conservation or recreational purposes.

6 subsection to ensure compliance with federal law and to ensure that interest on the
