### *Analysis by the Legislative Reference Bureau*

Currently, under the volunteer health care provider program, certain health care professionals may provide without charge diagnostic tests, health education, information about available health care resources, office visits, patient advocacy, prescriptions and referrals to health care specialists.

This bill permits certified dietitians to provide services under the volunteer health care provider program.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
