

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0431/1dn
JEO:kmg:km

May 19, 1999

Representative Gronemus:

This is a technical amendment to assembly substitute amendment 1 to AB-92. It corrects an erroneous reference to "section" in s. 943.75 (2), stats., as amended by the proposal. By correcting the erroneous reference, this amendment will make it clear that the penalties provided under s. 943.75 (2), stats., apply only to the acts covered under that *subsection*, as amended by the proposal, and not to the acts covered under proposed s. 943.75 (2m).

A publications editor here at the LRB pointed the error out to me, so I immediately drafted this amendment to correct it. Please let me know if you have any questions.

Jefren E. Olsen
