I think that this e-mail message as it concerns an amendment to the "dog" bill relates to a bill that you drafted for Hutchison's office. I sent an e-mail to Mike in Hutchison's office letting him know that I forwarded his instructions to you. Let me know if, in fact, this is not your draft.

Robin:

Thanks for the solid peer draft - looks great! Yet another draft needed! Our "dog" bill needs to be amended to include the following language:

"...only applies to public land that is open to or allows hunting - and on private land where permission for hunting has been granted."

We are looking at an executive committee hearing sometime the first or second week of January on this bill. If you have any questions on the above language please start with Rep. Hutchison - he relayed the language to me today. You can reach him at: 920-866-2211.

Thanks and Merry Christmas/Happy New Year!

Becky,

Rep. Hutchison would like to request a couple of changes in the amendment LRBa1124/1. I have attached his faxed copy with the changes marked. If you are unable to access this document, the changes are on page 2 line 1, the words "publicly owned" and "privately owned" would be deleted.

What might the consequences of deleting these words be the overall scope of the bill?

Thank you,

Eric Voight
