

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa1304/2dn

February 7, 2000

Don:

As I indicated in one of our phone conversations, I drafted this amendment based on the assumption that assembly amendment 1 will be adopted first. It is unclear how the bill's provisions regarding unlawfully rerecorded movies will be construed if assembly amendment 1 is not adopted or is adopted after this amendment.
