This bill is explained in the NOTES provided by the joint legislative council in the bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

The joint legislative council (JLC) is required to create the AISC in each biennium and the AISC is charged to study the problems of American Indians and American Indian tribes in this state in various subject areas and to develop specific recommendations and legislative proposals for the JLC in these areas. [s. 13.83 (3), stats.]

This bill changes the name of the AISC to the special committee on state-tribal relations. In addition, the bill updates the statute under which the AISC functions, consolidating the provisions of that statute and directing the committee to study "issues related to American Indians and the American Indian tribes and bands in this state", rather than "the problems of American Indians and Indian tribes in this state".

It also increases the number of members that the JLC may appoint on the basis of the recommendations of American Indian tribes and bands, directing the JLC to appoint not fewer than 6 nor more than 11 such members. It prohibits the JLC from appointing more than one member based on the recommendation of any one tribe or band or the GLITC. Under this proposal, each of the 11 tribes and bands in this state could be represented on the AISC.

Handwritten initials and signatures, including "JES" and "PJD".

1. **JACKET** the draft for introduction

*Joyce L. Kuef, Legislative Council Staff, 11/4/99*

in the **Senate** \_\_\_\_ or the **Assembly**  (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached \_\_\_\_\_.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction \_\_\_\_\_.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.
