Subject: 1999 AB 308 (Owens) / SB 144 (Risser) – Ban on Smoking - State Capitol & Grounds

Please draft an amendment to AB 308 and SB 144 which will prohibit smoking on all state-owned property. I do not want any exceptions – I understand that this will include state-owned highways, rivers, public hunting lands, etc.

The Senate will take up SB 144 today; the Assembly has not yet taken up AB 308. Since I do not know which bill will actually come before the Assembly first, I would like the same amendment drafted for both bills.

Thank you.

ENGROSSED 1999 SENATE BILL 144

March 8, 2000 - Printed by direction of ASSEMBLY CHIEF CLERK.

4 building and on the state capitol grounds, granting rule-making authority and

Analysis by the Legislative Reference Bureau

Engrossment information:

The text of Engrossed 1999 Senate Bill 144 consists of the bill, as passed by the senate on March 7, 2000, as affected by the following documents adopted in the senate on March 7, 2000: Senate Amendment 1 (as affected by Senate Amendment 1 thereto).

Content of Engrossed 1999 Senate Bill 144:

Current law, with some exceptions, prohibits smoking in public conveyances, inpatient health care facilities, indoor movie theaters, offices and passenger elevators, retail establishments, public waiting rooms, enclosed indoor areas of buildings owned by local or state units of government, motor buses, hospitals, physicians' offices, day care centers, educational facilities that offer state-approved or state-licensed instruction for training and any restaurant whose seating capacity exceeds 50 persons and whose receipts from the sale of beer or liquor, or both, amount to 50% or less of the restaurant's receipts. In some instances, however, a person in

ENGROSSED SENATE BILL 144

charge of an area in which smoking is prohibited, or his or her agent, may designate smoking areas within the area over which the person has charge.

This bill expands coverage of the existing law to prohibit smoking in the state capitol building and in the immediate vicinity of the state capitol building. The bill directs the department of administration to promulgate a rule defining the area that qualifies as the immediate vicinity of the state capitol building, except that, under the bill, the immediate vicinity of the state capitol building does not include any location that is more than one fathom from the state capitol building. The bill also provides that no person may designate a smoking area in the state capitol building or in the immediate vicinity of the state capitol building. A person who violates the bill after being advised that smoking is prohibited must forfeit up to \$50.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1m.** 101.123 (1) (ar) of the statutes is created to read:

2 101.123 (1) (ar) “Immediate vicinity of the state capitol” means the area

4 department of administration. “Immediate vicinity of the state capitol” does not
5 include any location that is more than one fathom from the state capitol building.

6 **SECTION 2.** 101.123 (2) (ar) of the statutes is created to read:
