### *Analysis by the Legislative Reference Bureau*

#### *Vehicle registration and titling*

Current law requires certificates of vehicle title to contain a description of the vehicle, including its make, model and identification number. This bill eliminates the requirement that the vehicle model be included on the certificate of title.

Current law requires that requests for personalized vehicle registration plates be delivered to the department of transportation (DOT) by mail. This bill eliminates this requirement.

Under current law, effective September 1, 1998, a motor vehicle dealer licensed in this state is required to issue temporary operation plates without charge to any state resident who purchases from the dealer an automobile, station wagon or light truck (a truck with a registered gross weight of not more than 8,000 pounds) and submits to the dealer complete applications for registration and titling of the vehicle. Also effective September 1, 1998, the licensed motor vehicle dealer may issue temporary operation plates at a fee of \$3 to any state resident who purchases from a person other than a dealer an automobile, station wagon or light truck and submits to the dealer complete applications for registration and titling of the vehicle.

This bill specifies that these provisions of current law also apply to leased vehicles, except that the lessee is not required to submit to the dealer a complete application for titling of the leased vehicle.

Current law prohibits the owner of an automobile that is being registered with DOT from receiving credit for the unused portion of another automobile's registration or transferring that automobile's license plates to the automobile that is being registered if such credit or plate transfer provisions have applied, within the previous 12-month period, to the automobile that is being registered. This bill eliminates this prohibition.

Under current law, DOT collects a fee of \$4 whenever such credit or plate transfer provisions are used. This bill eliminates this fee. The bill also eliminates the replacement plate fee of \$4 associated with personalized license plates or the loss of eligibility for special group plates.

#### *Proof of financial responsibility*

Under current law, the motor vehicle financial responsibility laws of this state require DOT to notify the operator or owner of a motor vehicle that is involved in an accident that results in injury, death or property damage of \$500 or more and to obtain a deposit of security for the accident. A deposit is not required if the person can provide proof of financial responsibility (an applicable motor vehicle liability insurance policy or bond was in effect at the time of the accident providing not less than the following amounts for any single accident: \$25,000 for one person, \$50,000 for more than one person and \$10,000 for property damage).

Insert ✓  
from p.  
5

With certain exceptions, failure to provide proof of financial responsibility or a deposit of security after an accident results in revocation of the operator's motor vehicle operating privilege or of the registration of any vehicles registered by the owner of the vehicle involved in the accident. Any revocation continues until the person provides a deposit of security or otherwise clears his or her liability or a year elapses without an action being commenced as a result of the accident. The ownership or registration of any vehicle whose registration is subject to such revocation may not be transferred unless all of the financial responsibility laws have been complied with or the secretary of transportation determines that the transfer is in good faith and is not designed to thwart the financial responsibility laws of this state.

Currently, the registration of any vehicles registered by the owner of a motor vehicle involved in an accident that results in injury, death or property damage of \$500 or more may also be revoked for failure to comply with other provisions of the financial responsibility laws of this state. However, there is no corresponding prohibition on transfer of the ownership or registration of such vehicles.

This bill prohibits transfer of the ownership or registration of any vehicle whose registration is subject to revocation under the financial responsibility laws of this state unless all of the financial responsibility laws have been complied with or the secretary of transportation determines that the transfer is in good faith and is not designed to thwart the financial responsibility laws of this state.

Current law requires DOT to revoke the vehicle operating privilege and motor vehicle registrations of any person who is involved in a motor vehicle accident and who, within 30 days after a court judgment that requires the person to pay to another person (the "judgment creditor") more than \$500 for damages arising out of a motor vehicle accident, either fails to satisfy the judgment against the person or fails to appeal the judgment. However, if the judgment creditor consents, DOT may allow the person to keep his or her operating privilege and vehicle registrations if the person: 1) provides proof of financial responsibility for the future (proof of the person's financial ability to pay any damages arising out of a motor vehicle accident in the future); and 2) maintains such proof in effect for three years after the date of the judgment awarding damages.

This bill requires such a person to maintain proof of financial responsibility for the future in effect for three years after the consent agreement between the person and the judgment creditor is filed with DOT, instead of maintaining such proof in effect for three years after the entry of judgment.

Currently, if a person required to pay a judgment in excess of \$500 for damages arising out of a motor vehicle accident obtains a court order allowing payment of the judgment in instalments, DOT may not revoke the person's operating privilege or vehicle registrations if the person provides proof of financial responsibility for the future. However, the person is not required to provide proof of financial responsibility for the future if three years have elapsed since the entry of the judgment. Under this bill, such a person is not required to provide proof of financial responsibility if three years have elapsed since the date on which the order permitting payment of the judgment in instalments is filed with DOT.

Also under current law, a person whose operating privilege or vehicle registration is revoked for failing to pay such a judgment may not reinstate the person's operating privilege or vehicle registration unless the person provides and maintains proof of financial responsibility for the future. This requirement does not apply if three years have elapsed since the date of entry of the judgment which was the cause for revocation. Under this bill, the requirement to provide proof of financial responsibility as a condition of reinstatement does not apply if three years have elapsed since the date on which the judgment of monetary damages was satisfied, stayed or discharged.

Under current law, DOT requires certain motor vehicle operators to furnish proof of financial responsibility for the future with respect to any motor vehicle that will be operated by such persons. A vehicle operator may file a certification of insurance as proof of financial responsibility for the future certifying that there is in effect a motor vehicle liability policy insuring any motor vehicle that will be operated by such person with the permission of the vehicle owner. These certifications of insurance may also be filed by any motor vehicle owner who is required to furnish proof of financial responsibility for the future but such certifications are limited to any motor vehicle that will be operated by such person with the permission of the vehicle owner.

This bill provides that any motor vehicle owner who is required to file proof of financial responsibility for the future with DOT may file a certification of insurance that certifies that there is in effect a motor vehicle liability policy insuring all motor vehicles owned by such person and all persons who will be operating any such vehicle with the permission of its owner.

#### ~~Vehicle identification numbers~~

MOVE TO  
INSERT B  
at p. 6

Current law specifies the location at which a vehicle identification number (VIN) assigned by DOT must be permanently affixed. This bill eliminates the statutory locations and requires DOT by rule to specify the locations for VIN placement.

#### ~~Trailers and semitrailers~~

Move to  
Insert at  
p. 3

Under current law, the owner of a fleet of 100 or more trailers, each having a gross weight of 4,500 pounds or less and used for hire or rental, may register the trailers for a six-year period ending June 30. This bill eliminates this expiration date, allowing DOT to establish the expiration date.

This bill clarifies that DOT may register semitrailers under the international registration plan for an annual fee of \$50 and may issue metal registration plates as evidence of such registration.

#### Other

Current law allows DOT and local highway authorities to require an applicant for a permit to transport a vehicle of excessive size or weight upon a highway to provide proof of liability insurance for harm or damage caused by transporting the oversize or overweight vehicle. Such proof of insurance is required for an annual permit to transport an oversize mobile home upon a highway.

Finally,

This bill eliminates the requirement that an applicant for an annual permit to transport an oversize mobile home upon a highway provide proof of liability

Inserts A and B  
from p.5

insurance. DOT and local highway authorities retain the authority to require such insurance for oversize mobile homes whenever DOT or the local highway authority believes such proof of insurance is appropriate.

Current law recognizes a "station wagon" as a distinct vehicle type, but treats that distinct vehicle type as an "automobile". This bill eliminates "station wagon" as a distinct vehicle type.

Under current law, the operator of a motor vehicle may not pass another motor vehicle within 100 feet of an intersection unless the intersection is marked for two or more lanes of vehicular traffic moving in the same direction or a traffic officer permits the operator to pass at the intersection. Outside of a business or residence district, the operator of a motor vehicle may pass other motor vehicles within 100 feet of an intersection unless the intersection is marked by an official traffic sign or signal.

This bill prohibits the operator of a motor vehicle from passing another motor vehicle within 100 feet of an intersection located outside of a business or residence district if the intersection is marked, in the direction of traffic, by a traffic control signal, stop sign, yield sign or warning sign that warns traffic of existing or potentially hazardous conditions on or adjacent to the roadway.

This bill renumbers the statutory provisions that prohibit making false statements to DOT. It also renumbers the statutory provision requiring an individual who receives a duplicate license or identification card to return to DOT the original license or identification card if the original license or identification card is available. <sup>The</sup> ~~This~~ bill does not make any major substantive changes to current law.

Under current law, DOT administers the bicycle and pedestrian facilities program which provides grants to cities, villages, towns and counties to aid in building bicycle and pedestrian facilities. DOT is required to annually award grants based on applications submitted by April 1. This bill eliminates the requirement that DOT award grants annually under the bicycle and pedestrian facilities grant program. It also eliminates the April 1 deadline for submission of grant applications.

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the department of transportation and introduced by the law revision committee under s. 13.83 (1) (c) 4., stats. After careful consideration of the various provisions of this bill, the law revision committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.

<sup>auto ref D</sup>  
SECTION 1. 70.112 (5) of the statutes is amended to read:

70.112 (5) MOTOR VEHICLES, BICYCLES, SNOWMOBILES. Every automobile, motor bicycle, motor bus, motorcycle, motor truck, moped, road tractor, school bus, snowmobile, ~~station wagon~~, truck tractor, or other similar motor vehicle, or trailer or semitrailer used in connection therewith. ✓, 2, 4 <sup>autoref</sup> B

NOTE: SECTIONS 1, 7, 9 to 21, 24, 25, 27, 28, 31, 32, 42, 47, 49, 71 to 77 and 79 eliminate the definition of, and references to, station wagons which exist in the statutes. According to DOT, DOT does not distinguish between automobiles and station wagons for registration purposes, so the definition of "station wagon" serves no useful purpose and should be deleted.

**SECTION 2.** 77.995 of the statutes is amended to read:

**77.995 Imposition.** There is imposed a fee at the rate of 3%, or 5% for the rental of limousines, of the gross receipts on the rental, but not for rerental and not for rental as a service or repair replacement vehicle of Type 1 automobiles, as defined in s. 340.01 (4) (a); ~~of station wagons, as defined in s. 340.01 (61);~~ of mobile homes, as defined in s. 340.01 (29); of motor homes, as defined in s. 340.01 (33m); and of camping trailers, as defined in s. 340.01 (6m) by establishments primarily engaged in short-term rental of vehicles without drivers, for a period of 30 days or less, unless the sale is exempt from the sales tax under s. 77.54 (1), (4), (7) (a), (7m) or (9a). In this section, “limousine” means a passenger automobile that has a capacity of 10 or fewer persons, excluding the driver; that has a minimum of 5 seats behind the driver; that is operated for hire on an hourly basis under a prearranged contract for the transportation of passengers on public roads and highways along a route under the control of the person who hires the vehicle and not over a defined regular route; but “limousine” does not include taxicabs, hotel or airport shuttles or buses, buses employed solely in transporting school children or teachers, vehicles owned and operated without charge or remuneration by a business entity for its own purposes, vehicles used in carpools or vanpools, public agency vehicles that are not operated

1 as a commercial venture, vehicles operated as part of the employment transit  
2 assistance program under s. 106.26, ambulances or any vehicle that is used  
3 exclusively in the business of funeral directing.

4 **SECTION 3.** 85.024 (2) of the statutes is amended to read:

5 85.024 (2) The department shall administer a bicycle and pedestrian facilities  
6 program to award grants of assistance to political subdivisions for the planning,  
7 development or construction of bicycle and pedestrian facilities. ~~Annually, the~~ The  
8 department shall award from the appropriation under s. 20.395 (2) (nx) grants to  
9 political subdivisions under this section. A political subdivision that is awarded a  
10 grant under this section shall contribute matching funds equal to at least 25% of the  
11 amount awarded under this section. ~~The department shall select grant recipients~~  
12 ~~annually beginning in 1994 from applications submitted to the department on or~~  
13 ~~before April 1 of each year.~~

*autorex* NOTE: *This* SECTION 4 amends current law to allow *DOT* the department of transportation to  
award bicycle and pedestrian facility grants at any time during the calendar year and will  
eliminate the requirement that for each year's grants, all applications must be submitted  
on or before April 1 of each year.

14 **SECTION (4).** 340.01 (61) of the statutes is repealed.

15 **SECTION 5.** 341.03 (2) (a) of the statutes is amended to read:

16 341.03 (2) (a) Any person who violates sub. (1), where the vehicle used is an  
17 automobile, ~~station wagon~~ or any other vehicle having a gross weight rating of 10,000  
18 pounds or less, as determined by the manufacturer of the vehicle, may be required  
19 to forfeit not more than \$200.

20 **SECTION 6.** 341.04 (1) (intro.) of the statutes is amended to read:

21 341.04 (1) (intro.) It is unlawful for any person to operate or for an owner to  
22 consent to being operated on any highway of this state any motor vehicle, mobile  
23 home, trailer or semitrailer or any other vehicle for which a registration fee is

1 specifically prescribed unless at the time of operation the vehicle in question either  
2 is registered in this state, or, except for registration under s. 341.30 or 341.305, a  
3 complete application for registration, including evidence of any inspection under s.  
4 110.20 when required, accompanied by the required fee has been delivered to the  
5 department, submitted to a dealer under s. 341.09 (2m) for transmittal to the  
6 department or deposited in the mail properly addressed with postage prepaid and,  
7 if the vehicle is an automobile, ~~station wagon~~ or motor truck having a registered  
8 weight of 8,000 pounds or less, the vehicle displays a temporary operation plate  
9 issued for the vehicle unless the operator or owner of the vehicle produces proof that  
10 operation of the vehicle is within 2 business days of the vehicle's sale or transfer, or  
11 the vehicle in question is exempt from registration.

12 **SECTION 7.** 341.04 (3) (a) of the statutes is amended to read:

13 341.04 (3) (a) Any person who violates sub. (1) or (2), where the vehicle used  
14 is an automobile, ~~station wagon~~, or any other vehicle having a gross vehicle weight  
15 rating of 10,000 pounds or less, as determined by the manufacturer of the vehicle,  
16 may be required to forfeit not more than \$200.

17 **SECTION 8.** 341.06 (1) (am) of the statutes is amended to read:

18 341.06 (1) (am) A trailer or semitrailer or camping trailer having a gross weight  
19 of 3,000 pounds or less and not used for hire or rental. The registration fee charged  
20 under this paragraph shall be the same as ~~if the trailer or semitrailer were to be used~~  
21 ~~for hire or rental~~ the fee under s. 341.25 (1) (gd).

NOTE: Under current s. 341.06 (1) (am), stats., a person may register a trailer or semitrailer or camping trailer that has a gross weight of 3,000 pounds or less and is not used for hire or rental. The registration fee is the same as if it were to be used for hire or rental. Under s. 341.25 (1) (gd), stats., for each trailer or semitrailer or camping trailer that has a gross weight of 3,000 pounds or less and is used for hire or rental, the fee is 1/2 of the fee prescribed for a motor truck of the same weight. Also, under s. 341.308, stats., the owner of a fleet of 100 or more trailers each having a gross weight of 4,500 pounds or less and used for hire or rental may register the trailers for a 6-year period ending on

June 30. ~~The change made by this section~~ inserts a cross-reference for s. 341.25 (1) (gd), stats., under which trailers used for hire or rental are registered. This change, combined with the change made to s. 341.308, stats., by ~~Section 39~~, will allow registrations for all 3 categories of trailers to expire on the same date and allow DOT to consolidate small trailer registration plates with large trailer registration plates that expire on December 31. *See also the NOTE following SECTION 39. auto ref c*

**SECTION 9.** 341.09 (1) (b) of the statutes is amended to read:

341.09 (1) (b) The department shall specify by rule the size, color, design, form and specifications of temporary operation plates issued under sub. (2m) or (9) for an automobile, ~~station wagon~~ or motor truck having a registered weight of 8,000 pounds or less, and the system to be used to identify the date of issuance of such plates. All temporary operation plates issued under sub. (2m) or (9) for an automobile, ~~station wagon~~ or motor truck having a registered weight of 8,000 pounds or less shall contain a registration number composed of letters or numbers.

**SECTION 10.** 341.09 (2) (g) of the statutes is amended to read:

341.09 (2) (g) A temporary operation plate may not be issued under this subsection to a state resident for use on an automobile, ~~station wagon~~ or motor truck having a registered weight of 8,000 pounds or less.

**SECTION 11.** 341.09 (2m) (a) 1. b. of the statutes is amended to read:

341.09 (2m) (a) 1. b. A state resident who purchases or leases an automobile, ~~station wagon~~ or motor truck having a registered weight of 8,000 pounds or less from a person other than the dealer for use on such vehicle if the state resident submits to the dealer a complete application for registration of the vehicle, including evidence of any inspection under s. 110.20 when required, and for a new certificate of title for the a purchased vehicle, together with a check or money order made payable to the department for all applicable title, registration, security interest and sales tax moneys, for transmittal to the department by the dealer.

NOTE: SECTIONS 11 and 12 apply the same provisions in current law regarding motor vehicle dealer issuance of temporary license plates to leased vehicles, as well as to purchased vehicles. According to DOT, these changes reflect the current prevalence of vehicle leasing arrangements.

SECTION 12. 341.09 (2m) (a) 2. of the statutes is amended to read:

341.09 (2m) (a) 2. Notwithstanding subd. 1., the department shall issue a sufficient number of temporary operation plates without charge to each dealer licensed in this state for issuance under this subdivision. Each dealer shall issue a temporary operation plate without charge to any state resident who purchases or leases from the dealer an automobile, ~~station wagon~~ or motor truck having a registered weight of 8,000 pounds or less, for use on such vehicle if the state resident submits to the dealer a complete application for registration of the vehicle, including evidence of inspection under s. 110.20 when required, and for a new certificate of title for the a purchased vehicle, together with a check or money order made payable to the department for all applicable title, registration, security interest and sales tax moneys, for transmittal to the department by the dealer.

SECTION 13. 341.09 (9) of the statutes is amended to read:

341.09 (9) Notwithstanding any other provision of this section, the department shall issue a temporary operation plate without charge for an automobile, ~~station wagon~~ or motor truck having a registered weight of 8,000 pounds or less upon receipt of a complete application accompanied by the required fee for registration of the vehicle, including evidence of any inspection under s. 110.20 when required, if the department does not immediately issue the regular registration plates for the vehicle and the department determines that the applicant has not otherwise been issued a temporary operation plate under this section.

SECTION 14. 341.14 (1) of the statutes is amended to read:

1           341.14 (1) If any resident of this state who is registering or has registered an  
2    automobile ~~or station wagon~~, or a motor truck, dual purpose motor home or dual  
3    purpose farm truck which has a gross weight of not more than 8,000 pounds, a farm  
4    truck which has a gross weight of not more than 12,000 pounds or a motor home  
5    submits a statement once every 4 years, as determined by the department, from the  
6    U.S. department of veterans affairs certifying to the department that the resident  
7    is, by reason of injuries sustained while in the active U.S. military service, a person  
8    with a disability that limits or impairs the ability to walk, the department shall  
9    procure, issue and deliver to the veteran, plates of a special design in lieu of the plates  
10   which ordinarily would be issued for the vehicle, and shall renew the plates. The  
11   plates shall have a light blue background except for a white border not to exceed one  
12   inch at top and bottom, and blue lettering, except that the word "VET" and the  
13   identifying number shown on the plates shall be colored red. The plates shall be so  
14   designed as to readily apprise law enforcement officers of the fact that the vehicle is  
15   owned by a disabled veteran and is entitled to the parking privileges specified in s.  
16   346.50 (2). No charge in addition to the registration fee shall be made for the issuance  
17   or renewal of such plates.

18           **SECTION 15.** 341.14 (1a) of the statutes, as affected <sup>by ✓</sup> 1997 Wisconsin Act 67, is  
19   amended to read:

23    truck which has a gross weight of not more than 12,000 pounds or a motor home,  
24    submits a statement once every 4 years, as determined by the department, from a  
25    physician licensed to practice medicine in any state, from an advanced practice nurse

1 licensed to practice nursing in any state, from a physician assistant licensed or  
2 certified to practice in any state, from a chiropractor licensed to practice chiropractic  
3 in any state or from a Christian Science practitioner residing in this state and listed  
4 in the Christian Science journal certifying to the department that the resident is a  
5 person with a disability that limits or impairs the ability to walk, the department  
6 shall procure, issue and deliver to the disabled person plates of a special design in  
7 lieu of plates which ordinarily would be issued for the vehicle, and shall renew the  
8 plates. The plates shall be so designed as to readily apprise law enforcement officers  
9 of the fact that the vehicle is owned by a nonveteran disabled person and is entitled  
10 to the parking privileges specified in s. 346.50 (2a). No charge in addition to the  
11 registration fee shall be made for the issuance or renewal of such plates.

12 **SECTION 16.** 341.14 (1m) of the statutes, as affected by 1997 Wisconsin Act 67,

3 vehicle is operated by a licensed driver on whom a disabled person is regularly  
4 dependent and is entitled to the parking privileges specified in s. 346.50 (2a). No  
5 charge in addition to the registration fee may be made for the issuance or renewal

17 chiropractic in any state or from a Christian Science practitioner residing in this  
18 state and listed in the Christian Science journal certifying that the employee is a  
19 person with a disability that limits or impairs the ability to walk, the department  
20 shall issue and deliver to such employer plates of a special design in lieu of the plates  
21 which ordinarily would be issued for the vehicle, and shall renew the plates. The  
22 plates shall be so designed as to readily apprise law enforcement officers of the fact  
23 that the vehicle is operated by a disabled person and is entitled to the parking  
24 privileges specified in s. 346.50 (2a). No charge in addition to the registration fee may

1 be made for the issuance or renewal of the plates. The plates shall conform to the  
2 plates required in sub. (1a).

3 SECTION 18. 341.14 (1r) (a) of the statutes is amended to read:

4 341.14 (1r) (a) If any resident of this state who is registering or has registered  
5 an automobile ~~or station wagon~~, or a motor truck, dual purpose motor home or dual

9 to the department that the vehicle is leased to a person who qualifies for special  
10 plates under sub. (1) or (1a) together with the information required under sub. (1)  
11 or (1a), the department shall issue and deliver to the resident, plates of the

13 would be issued for the vehicle, and shall renew the plates. No charge in addition  
14 to the registration fee shall be made for the issuance or renewal of the plates. No  
15 plates may be issued and delivered to a resident under this paragraph on or after

17 SECTION 19. 341.14 (2) of the statutes is amended to read:

18 341.14 (2) Upon compliance with the laws relating to registration of  
19 automobiles, ~~station wagons~~ and motor homes; motor trucks, dual purpose motor  
20 homes and dual purpose farm trucks which have a gross weight of not more than  
21 8,000 pounds; and farm trucks which have a gross weight of not more than 12,000  
22 pounds, including payment of the prescribed registration fees therefor plus an

4 reissuance of a plate under this subsection shall be \$10.

5 **SECTION 20.** 341.14 (6) (a) of the statutes is amended to read:

6 341.14 (6) (a) Upon application to register an automobile ~~or station wagon~~ or

9 who was held as a prisoner of war during any of the conflicts described in s. 45.35 (5)  
10 (e) 2. to 8. or in Bosnia, Grenada, Lebanon, Panama, Somalia or a Middle East crisis  
11 under s. 45.34, and upon submission of a statement from the U.S. department of  
12 veterans affairs certifying that the person was a prisoner of war during one of the  
13 conflicts described in s. 45.35 (5) (e) 2. to 8. or in Bosnia, Grenada, Lebanon, Panama,  
14 Somalia or a Middle East crisis under s. 45.34, the department shall issue to the  
15 person a special plate which is colored red, white and blue and which has the words  
16 “ex-prisoner of war” placed on the plate in the manner designated by the  
17 department.

18 **SECTION 21.** 341.14 (6m) (a) of the statutes is amended to read:

19 341.14 (6m) (a) Upon application to register an automobile, ~~station wagon~~ or  
20 motor truck which has a gross weight of not more than 8,000 pounds by any person  
21 who is a resident of this state and a member or retired member of the national guard,  
22 the department shall issue to the person special plates whose colors and design shall  
23 be determined by the department, after consultation with the adjutant general, and  
24 which have the words “Wisconsin guard member” placed on the plates in the manner  
25 designated by the department. An additional fee of \$10 shall be charged for the

1 issuance of the plates. Registration plates issued under this subsection shall expire  
2 annually.

3 **SECTION 22.** 341.14 (6m) (b) (intro.) and 1. of the statutes are consolidated,  
4 renumbered 341.14 (6m) (b) and amended to read:

5 341.14 (6m) (b) Except as provided in par. (c), if an individual in possession of  
6 special plates under this subsection or of personalized plates under s. 341.145 (1) (b)  
7 does not maintain membership in the national guard during a year which is not a  
8 plate issuance year, the individual shall ~~do all of the following:~~ 1. ~~Dispose~~ dispose  
9 of the special plates in a manner prescribed by the department.

NOTE: SECTIONS 22, 23, 26 and 30 eliminate the \$4 replacement fee that is charged  
when someone who is no longer eligible for certain special group plates reregisters a  
vehicle to a regular plate. These changes correspond to the ~~provisions in Sections 22, 23, 26 and 30~~  
of the bill which eliminate the provisions in current law which prohibit the owner of an  
automobile that is being registered with DOT from receiving credit for the unused portion  
of another automobile's registration or transferring the automobile's license plates to the  
automobile that is being registered, if these credit or plate transfer provisions have  
applied, within the previous 12-month period, to the automobile that is being registered.

12 341.14 (6r) (b) 1. Upon application to register an automobile, ~~station wagon~~ or  
13 motor home, or a motor truck, dual purpose motor home or dual purpose farm truck

17 to the person special plates whose colors and design shall indicate that the vehicle  
18 is owned by a person who is a member of the applicable special group.

19 **SECTION 25.** 341.14 (6r) (bg) 1. of the statutes is amended to read:

20 341.14 (6r) (bg) 1. Upon application to register an automobile, ~~station wagon~~  
21 or motor home, or a motor truck, dual purpose motor home or dual purpose farm

1 truck which has a gross weight of not more than 8,000 pounds, or a farm truck which

4 department shall issue to the person special plates whose colors and design shall  
5 indicate that the vehicle is owned by a person who is a member of that special group.

6 **SECTION 26.** 341.14 (6r) (g) of the statutes is repealed and recreated to read:

7 341.14 (6r) (g) If an individual in possession of special plates under par. (f) 33.,  
8 34. or 48. or of personalized plates under s. 341.145 (1) (c) of the same color and design  
9 as special plates under par. (f) 33., 34. or 48. does not maintain membership in the  
10 applicable authorized special group during a year that is not a plate issuance year,  
11 the individual shall dispose of the special plates in a manner prescribed by the  
12 department.

13 **SECTION 27.** 341.145 (1) (a) of the statutes is amended to read:

14 341.145 (1) (a) A registration plate for an owned automobile ~~or station wagon~~  
15 or a motor home registered for an annual registration period under s. 341.29 or  
16 341.295 or a motorcycle or a motor truck, dual purpose motor home or dual purpose  
17 farm truck which has a gross weight of not more than 8,000 pounds, or a farm truck  
18 which has a gross weight of not more than 12,000 pounds, which displays a  
19 registration number composed of letters or numbers, or both, requested by the  
20 applicant. Personalized registration plates under this paragraph shall be of the  
21 same color and design as regular registration plates and shall consist of numbers or  
22 letters, or both, not exceeding 5 positions and not less than one position for a plate  
23 issued for a motorcycle or not exceeding 7 positions and not less than one position for  
24 all other plates.

25 **SECTION 28.** 341.145 (1) (b) of the statutes is amended to read:

1           341.145 (1) (b) A registration plate of the same color and design as provided in  
2           s. 341.14 (6m) for an owned automobile, ~~station wagon~~ or motor truck having a gross  
3           weight of not more than 8,000 pounds, which displays a registration number  
4           composed of letters or numbers, or both, not exceeding 7 positions and not less than  
5           one position, requested by the applicant.

6           **SECTION 29.** 341.145 (2) (a) of the statutes is amended to read:

7           341.145 (2) (a) The request and alternative thereto is received by the  
8           department in writing ~~by mail~~ by the 15th day of the month in which the vehicle is  
9           to be registered;

NOTE: <sup>This</sup> SECTION ~~29~~ eliminates the requirement that personalized license plates be  
applied for by mail. According to DOT, it was necessary to have this application-by-mail  
requirement at the inception of the personalized license plate program because of the  
competition for certain popular plate messages. However, because most of the plate  
messages in great demand have already been issued, and because DOT has routinized  
the application process, ~~the requirement to apply for personalized plates by mail~~ is no  
longer necessary. <sup>this</sup>

10          **SECTION 30.** 341.145 (5) of the statutes is repealed and recreated to read:

11          341.145 (5) If an individual in possession of a personalized registration plate  
12          does not maintain the personalized registration plate under sub. (3) during a year  
13          that is not a plate issuance year, the individual shall dispose of the personalized plate  
14          in a manner prescribed by the department.

15          **SECTION 31.** 341.25 (1) (a) of the statutes is amended to read:

16          341.25 (1) (a) For each automobile ~~or station wagon~~, a fee of \$45, except that  
17          an automobile registered in this state prior to September 1, 1947, at a fee of less than  
18          \$18 shall be registered at such lesser fee plus an additional fee of \$2.

19          **SECTION 32.** 341.26 (7) (b) of the statutes is amended to read:

20          341.26 (7) (b) When engaged in passenger-carrying operations other than as  
21          provided in par. (a) or sub. (2) (d), a school bus shall be registered as a motor bus at

**SECTION 32**

1 a fee determined under s. 341.25 (2), or as an automobile ~~or station wagon~~ at the fee  
2 provided in s. 341.25 (1) (a). Fees for registration under s. 341.25 (2) may be paid in  
3 accordance with ss. 341.30 and 341.31. Fees for part-quarterly registration shall be  
4 computed on the basis of one-twelfth of the annual fee multiplied by the number of  
5 months of the current quarter which have not fully expired on the date of the  
6 application. If a vehicle was not operated in other than school bus service, a  
7 statement of nonoperation satisfactory to the department shall be filed with the  
8 application.

9 **SECTION 33.** 341.264 (1) and (2) (a) of the statutes are amended to read:

10 341.264 (1) Upon application and payment of a fee of \$50, the department shall  
11 register a semitrailer which is operated in connection with a truck tractor or hauled  
12 by a motor vehicle and used with a device which converts the semitrailer to a trailer.  
13 ~~Except for a semitrailer registered under sub. (3), registration~~ Registration under  
14 this section is valid without the payment of any additional fee while the registrant  
15 is the owner of the semitrailer and, with respect to the sale of a leased semitrailer  
16 to the lessee of the semitrailer, while the former lessee is the owner of the semitrailer  
17 if the lessee reimbursed the lessor of the semitrailer at the time of registration of the  
18 semitrailer for payment of the registration fee under this subsection. The  
19 department shall issue a permanent semitrailer registration plate to evidence  
20 registration under this subsection.

21 (2) (a) Upon the sale of a semitrailer registered under this section, the seller  
22 shall remove the registration plate and destroy it. The purchaser shall immediately  
23 apply for registration and pay the full applicable fee prescribed in sub. (1) ~~or~~  
24 ~~established under sub. (3).~~ This paragraph does not apply to the sale of a leased

1 semitrailer to a lessee eligible to maintain permanent registration of the semitrailer  
2 under sub. (1).

NOTE: SECTIONS 33, 34 and 43 provide that current 12-year plates for semitrailers issued under the international registration plan (IRP) would no longer be issued. Instead, these provisions permit DOT to register semitrailers under the IRP and to issue base plates for each semitrailer registered under the IRP. According to DOT, motor carriers who operate in California who must have an IRP trailer plate would have the permanent semitrailer plate if these provisions were adopted, rather than the current plate which is renewed every 12 years.

3 SECTION 34. 341.264 (3) of the statutes is repealed.

4 SECTION 35. 341.27 (3) (a) of the statutes is repealed and recreated to read:

5 341.27 (3) (a) If the applicant holds current registration plates that were  
6 removed from an automobile that the applicant no longer owns or that has been  
7 junked, is no longer used on the highways or has been registered as a special interest  
8 vehicle under s. 341.266 (2) (a) or a reconstructed, replica, street modified or  
9 homemade vehicle under s. 341.268 (2) (a), and the plates were issued under the  
10 system of registration prescribed by this section, the department shall register the  
11 automobile which is the subject of the application for the remainder of the unexpired  
12 registration period.

*This*  
NOTE: SECTION ~~35~~ provides that DOT must register certain automobiles for the remainder of an unexpired registration period if the application is for the reregistration of certain automobiles.

*autoreg*  
13 SECTION ~~35~~ 341.28 (2) (c) of the statutes is repealed.

NOTE: SECTIONS 36 to 38, 40 and 41 repeal provisions that prohibit transfer of plates or registration credit to a vehicle if it has already been involved in a transfer or credit within the last 12 months. According to DOT, this prohibition was originally established to deter the abuse of license plate transfer provisions, but DOT has found this type of abuse to be rare. Therefore, the prohibition is no longer needed.

14 SECTION 37. 341.28 (4) (c) of the statutes is amended to read:

15 341.28 (4) (c) The automobile is owned by a person who has been in active  
16 military service and less than 12 months of nonoperation have elapsed since the end

1 of the period for which the automobile was previously registered, provided the  
2 applicant files with the department a statement of such nonoperation; ~~or~~

3 SECTION <sup>autoref F</sup>38. 341.28 (4) (d) of the statutes is repealed.

4 SECTION <sup>autoref C</sup>39. 341.308 (2) of the statutes is amended to read:

5 341.308 (2) The registration of trailers under this section shall be valid for a  
6 6-year period ~~and shall expire on June 30~~. Upon receipt of an application and the  
7 initial registration fees under sub. (3), the department shall issue a registration plate  
8 for each trailer. The registration of trailers added to the fleet during the 6-year  
9 registration period shall expire on the expiration date of the original fleet  
10 registration. If trailers are removed from the fleet during the 6-year registration  
11 period, the fleet owner shall dispose of the plates in the manner prescribed by the  
12 department.

NOTE: This SECTION deletes the June 30 registration expiration date for fleets or  
small trailers which will allow all trailer registrations to expire on the same date. See  
also the NOTE following SECTION 8.

13 SECTION <sup>autoref G</sup>40. 341.31 (1) (b) 7. of the statutes is repealed.

14 SECTION <sup>autoref H</sup>41. 341.31 (6) of the statutes is repealed.

15 SECTION 42. 341.35 (1) of the statutes is amended to read:

16 341.35 (1) ANNUAL REGISTRATION FEE. In this section “municipality” means a  
17 town, village or city and “motor vehicle” means an automobile ~~or station wagon~~ or  
18 motor truck registered under s. 341.25 (1) (c) at a gross weight of not more than 8,000  
19 pounds. The governing body of a municipality or county may enact an ordinance  
20 imposing an annual flat municipal or county registration fee on all motor vehicles  
21 registered in this state which are customarily kept in the municipality or county. A  
22 registration fee imposed under this section shall be in addition to state registration  
23 fees.

1           **SECTION 43.** 341.405 (2m) of the statutes is created to read:

2           341.405 (2m) The department may register semitrailers under the  
3 international registration plan. The department may establish a fee for registration  
4 under this subsection based on administrative cost.

5           **SECTION 44.** 342.06 (1) (b) of the statutes is amended to read:

6           342.06 (1) (b) A description of the vehicle, including make, ~~model~~, identification  
7 number and any other information or documentation that the department may  
8 reasonably require for proper identification of the vehicle or for determination of the  
9 mileage of the vehicle as disclosed by prior transferors.

NOTE: SECTIONS 44 and 45 eliminate the requirement that the vehicle title include a description of the model of the vehicle. According to DOT, the model name included on the title is currently abbreviated to 3 characters, and the system of abbreviation used by DOT causes confusion among vehicle title holders. According to DOT, because the vehicle model information is stored in DOT's database and is available through on-line inquiry, it is not necessary to show this information on the title document.

10          **SECTION 45.** 342.10 (1) (d) of the statutes is amended to read:

11          342.10 (1) (d) A description of the vehicle, including make, ~~model~~ and  
12 identification number.

13          **SECTION 46.** 342.14 (9) of the statutes is repealed.

This NOTE: ~~SECTION 46~~ <sup>✓</sup> repeals the \$4 transfer fee for the transfer of registration or credits for registration to a vehicle currently titled in the name of the applicant.

14          **SECTION 47.** 342.15 (4) (a) of the statutes is amended to read:

15          342.15 (4) (a) If the vehicle being transferred is a motorcycle or an automobile  
16 ~~or station wagon~~ registered under s. 341.27 or a motor home or a motor truck, dual  
17 purpose motor home or dual purpose farm truck which has a gross weight of not more  
18 than 8,000 pounds or a farm truck which has a gross weight of not more than 12,000  
19 pounds, the owner shall remove the registration plates and retain and preserve them

1 for use on any other vehicle of the same type and gross weight which may  
2 subsequently be registered in his or her name.

3 SECTION 48. 342.30 (2) of the statutes is amended to read:

4 342.30 (2) An Except as provided in this subsection, an identification number  
5 assigned by the department to a mobile home, trailer or semitrailer shall be stamped  
6 upon the frame in a readily visible location. An identification number assigned to  
7 a motor vehicle manufactured prior to January 1, 1969, shall be permanently affixed  
8 to a location on the left front pillar. The vehicle identification number for motor  
9 vehicles manufactured after January 1, 1969, shall be permanently affixed upon  
10 either a part of the vehicle that is not designed to be removed except for repair, or a  
11 separate plate which is permanently affixed to such part. The vehicle identification  
12 number shall be located inside the passenger compartment and shall be readable,  
13 without moving any part of the vehicle, through the vehicle glazing under daylight  
14 lighting conditions by an observer having 20/20 vision (Snellen) whose eyepoint is  
15 located outside the vehicle adjacent to the left windshield pillar that is readily visible  
16 when observed from outside the vehicle, as specified by the department by rule.  
17 Identification numbers assigned for cycles shall be stamped on the left side, near the  
18 top of the engine casting just below the cylinder barrel. Such stamping or affixing  
19 shall be done under the supervision of a dealer, distributor or manufacturer  
20 registered under s. 341.51 or under the supervision of a peace officer. The person  
21 supervising the stamping or affixing shall make a report thereof to the department.

This NOTE: SECTION 48 deletes the requirement that the vehicle identification number  
be permanently affixed to specific vehicle locations, and instead provides that it shall be  
permanently affixed to a readily visible location on the vehicle when observed from  
outside the vehicle, as specified by the department by rule. According to DOT, it is not  
always practicable to place the vehicle identification number inside the windshield, for  
example, without removing the windshield. DOT has already established a policy, which  
allows vehicle identification numbers to be placed in other visible locations. However,  
some vehicle owners have received citations for improper placement of the identification

number because the statute still provides for specific locations. Therefore, DOT states that this change will be more workable and will eliminate confusion that currently exists among law enforcement personnel.

1           **SECTION 49.** 342.34 (1) (c) of the statutes is amended to read:

2           342.34 (1) (c) If the vehicle is a motorcycle or an automobile ~~or station wagon~~  
3       registered under s. 341.27 or a motor home or a motor truck, dual purpose motor  
4       home or dual purpose farm truck which has a gross weight of not more than 8,000  
5       pounds or a farm truck which has a gross weight of not more than 12,000 pounds, the  
6       owner shall remove the registration plates and retain and preserve them for use on  
7       any other vehicle of the same type which may subsequently be registered in his or  
8       her name. If the vehicle is not a motorcycle or an automobile ~~or station wagon~~  
9       registered under s. 341.27, or a motor home or a motor truck, dual purpose motor  
10      home or dual purpose farm truck which has a gross weight of not more than 8,000  
11      pounds or a farm truck which has a gross weight of not more than 12,000 pounds, he  
12      or she shall remove and destroy the plates.

13           **SECTION** <sup>auto ref I</sup> ~~(50.)~~ 343.14 (5) of the statutes is renumbered 343.14 (5) (intro.) and  
14      amended to read:

11          **SECTION 59.** 344.25 (2) of the statutes is amended to read:

12          344.25 (2) If the judgment creditor consents in writing in such form as the  
13          secretary may prescribe that the judgment debtor be allowed to retain or reinstate  
14          the operating privilege and registrations, the same may be allowed by the secretary  
15          for 6 months from the date of such consent and thereafter until such consent is  
16          revoked in writing, notwithstanding default in the payment of such judgment or of  
17          any instalments thereof as prescribed in s. 344.27, provided the judgment debtor  
18          furnishes proof of financial responsibility for the future and maintains such proof at  
19          all times when such license and registrations are in effect during a period of 3 years  
20          following the entry of the judgment date on which the agreement is filed with the  
21          secretary.

NOTE: SECTIONS 59 to 61 change the requirements for the filing of proof of financial  
responsibility for the future for the reinstatement of an operating privilege which is  
revoked due to a judgment for damages having been entered against a motor vehicle  
operator. Currently, filing proof of financial responsibility for damage judgment

revocations is required for 3 years following the entry of the judgment. According to DOT, these changes will make the proof of financial responsibility filing requirement for damage judgment revocations consistent with all other operating privilege revocations and will help ensure that the person is financially responsible prior to reinstatement of the driving privilege.

**SECTION 60.** 344.26 (1) of the statutes is amended to read:

344.26 (1) Subject to the exceptions stated in ss. 344.25 (2) and 344.27 (2), any operating privilege or registration revoked pursuant to s. 344.25 shall remain revoked until every judgment mentioned in s. 344.25 is stayed, satisfied or discharged and, unless 3 years have elapsed since the date of entry of the judgment which was the cause for revocation on which the judgment was stayed, satisfied or discharged, until the person whose operating privilege and registration was revoked furnishes proof of financial responsibility for the future and maintains such proof at all times during such 3-year period when the operating privilege or registration is in effect.

**SECTION 61.** 344.27 (2) of the statutes is amended to read:

344.27 (2) The secretary shall not revoke the operating privilege or registration and shall restore any operating privilege or registration revoked following nonpayment of a judgment when the judgment debtor obtains such order permitting the payment of the judgment in instalments and, unless 3 years have elapsed since the entry of judgment date on which the order permitting the payment of the judgment in instalments is filed with the secretary, furnishes and maintains proof of financial responsibility for the future.

**SECTION 62.** 344.31 of the statutes is amended to read:

**344.31 Certification of insurance as proof.** Proof of financial responsibility for the future may be furnished by filing with the secretary the written certification of any insurer duly authorized to do business in this state that there is in effect a

1 motor vehicle liability policy for the benefit of the person required to furnish proof  
2 of financial responsibility or by transmitting such certification to the secretary by  
3 another means approved by the secretary. Such certification shall give the effective  
4 date of such motor vehicle liability policy, which date shall be the same as the  
5 effective date of the certification and shall certify coverage for any motor vehicle  
6 operated by the named insured if the certification is required to be furnished by a  
7 vehicle operator or coverage for any motor vehicle owned by the named insured if the  
8 certification is required to be furnished by a vehicle owner.

NOTE: SECTIONS 62 and 63 amend current law regarding the required filing of proof of financial responsibility for the future to require vehicle owners, and not just vehicle operators, to file this proof. 1991 Wisconsin Act 269 made significant changes to Wisconsin's safety responsibility law. One of these changes required vehicle owners to file proof of financial responsibility before reinstatement of suspended or revoked vehicle registrations. ~~These changes were~~ not carried over to the statutes requiring the filing of proof of financial responsibility for the future, and these SECTIONS make ~~these~~ changes.
