Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the department of transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles they register with DOT. Special plates may be obtained for automobiles, station wagons, motor homes and certain dual purpose motor homes, farm trucks and dual purpose farm trucks that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is assessed for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special distinguishing registration plates were specifically enumerated in state law. Current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

System or to the endangered resources program administered by the department of natural resources.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special distinguishing registration plates supporting Ducks Unlimited, Inc., and its conservation efforts in the United States, Canada and Mexico. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and an additional \$25 annual fee as a tax deductible contribution that provides funds to Ducks Unlimited, Inc., a nonprofit corporation, for its conservation efforts in the United States, Canada and Mexico. Under the bill, Ducks Unlimited, Inc., is required to annually submit an audited financial statement of its use of the funds received from these tax deductible contributions. Funding to Ducks Unlimited, Inc., is discontinued if the nonprofit organization dissolves or loses its tax-exempt status under federal law.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
