

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-3853/4dn  
RCT:cmh&wlj:hmh

January 24, 2000

This redraft changes only the first sentence of subsection (4) (c) of Section 8 of this draft. The changed language is meant to clarify the intent of that provision: that the transfer does not change an employe's status under the classified service. The language in prior versions of this draft is customarily used in these situations. It is not intended to mean that transferred employes retain their classified right without regard to anything else that happens to them (e.g., promotion to an unclassified division administrator position), and, as far as I know, it has never been interpreted to mean that.
