

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-1274/1dn
RPN:wlj&jlg:km

February 24, 1999

Please review this draft carefully to ensure that it complies with your intent.

I added a delayed effective date to give the interested parties time to prepare for the change and to give the group that provides the forms time to change the forms accordingly.
