

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1100/1dn
RAC:wlj:km

December 13, 1999

Per your request to require simply that the employe provide the appointing authority with "written verification" that he or she is to serve as a donor, I did not specify from whom the "written verification" must come. I would strongly advise, however, that you indicate in the amendment from whom the "written verification" must come. In this way, there is no ambiguity and you will have a say in determining the kind of "written verification" that is sufficient. Silence on this issue will most likely mean that the department of employment relations will determine from whom the "written verification" must come. The department's determination may very well be different from what you intend.
