1999/1997 ASSEMBLY BILL 263/

April 9, 1997 - Introduced by Representatives TRAVIS, FREESE, MUSSER, HASENOHRL, ALBERS, LA FAVE, PLOUFF, GROTHMAN, REYNOLDS, BOYLE, GRONEMUS and POWERS, cosponsored by Senators WINEKE and HUELSMAN, by request of Town of Springfield Clerk. Referred to Committee on Government Operations.

1 AN ACT to amend 60.557 (2) of the statutes; relating to: state reimbursement
2 of towns for fire calls on state or federal highways.

Analysis by the Legislative Reference Bureau

Under current law, if a town incurs costs for a fire call on a state trunk highway or any highway that is a part of the national system of interstate highways and maintained by the department of transportation (DOT), DOT is required to reimburse the town up to \$500 for the costs if the town submits written proof that the town ^{STATE} made a reasonable effort to collect the costs from the person to whom the fire call was provided. If the town collects the costs from such a person after DOT has reimbursed the town, the town is required to return the amount collected to DOT.

This bill requires DOT to reimburse a town for costs the town incurs for a fire call on a state trunk highway or any highway that is a part of the national system of interstate highways and maintained by DOT even if the fire equipment is not actually used.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 60.557 (2) of the statutes is amended to read:

ASSEMBLY BILL 263

 4 reimburse the town up to \$500 for the costs, even if the fire equipment is not actually
 5 used, if the town submits written proof that the town has made a reasonable effort
 6 to collect the cost from the person to whom the fire call was provided. If the town
 7 collects the cost from such person after the department reimburses the town, the
 8 town shall return the amount collected to the department.

SECTION 2. Initial applicability.

1. **JACKET** the draft for introduction Travis

in the **Senate** ____ or the **Assembly** (check only one). Only the requester under whose name the drafting request is entered in the LRB's drafting records may authorize the draft to be submitted. Please allow one day for the preparation of the required copies.

2. **REDRAFT.** See the changes indicated or attached _____.

A revised draft will be submitted for your approval with changes incorporated.

3. Obtain **FISCAL ESTIMATE NOW**, prior to introduction _____.

If the analysis indicates that a fiscal estimate is required because the proposal makes an appropriation or increases or decreases existing appropriations or state or general local government fiscal liability or revenues, you have the option to request the fiscal estimate prior to introduction. If you choose to introduce the proposal without the fiscal estimate, the fiscal estimate will be requested automatically upon introduction. It takes about 10 days to obtain a fiscal estimate. Requesting the fiscal estimate prior to introduction retains your flexibility for possible redrafting of the proposal.

If you have any questions regarding the above procedures, please call 266-3561. If you have any questions relating to the attached draft, please feel free to call me.
