**Subject:** Are these amendments ready for review?

1. Require seats created as a result of this renovation project be provided to residents of Brown County before allowing them to be sold to non-Brown County residents.
2. ~~Provide for a rebate to residents of Brown County if the Packers move to a stadium located outside of Brown County. The overall size of the rebate would be equivalent to the amount of revenue generated by the additional sales tax. The rebate is to be paid for by the Packers.~~

RJ called w/ new instructions for the seat amendment. He said that the team has to go through the season ticket waiting list and first offer the seats to Brown Co. residents. If any seats remain, go through the waiting list again and offer the tix to non-Brown Co. residents. If any seats remain, they become single-game tix, and should be offered only to Brown Co. residents up to 1 week (168 hours) before kick-off time. He also said that "Scott wants these right away."
