11      **SECTION 96.** 6.87 (3) (a) of the statutes is amended to read:

12      6.87 **(3)** (a) Except as authorized under par. (d) and as otherwise provided in  
13      s. 6.875, the municipal clerk shall mail the absentee ballot postage prepaid for return  
14      to the elector's residence unless otherwise directed, or shall deliver it to the elector  
15      personally at the clerk's office.

16      **SECTION 97.** 6.87 (3) (d) of the statutes is created to read:

17      6.87 **(3)** (d) Unless a municipality uses an electronic voting system that  
18      requires an elector to punch a ballot in order to record the elector's votes, a municipal  
19      clerk of a municipality may, if the clerk is reliably informed by an absent elector of  
20      a facsimile transmission number or electronic mail address where the elector can  
21      receive an absentee ballot, transmit a facsimile or electronic copy of the absent  
22      elector's ballot to that elector in lieu of mailing under this subsection if, in the  
23      judgment of the clerk, the time required to send the ballot through the mail may not  
24      be sufficient to enable return of the ballot by the time provided under sub. (6). An  
25      elector may receive an absentee ballot under this subsection only if the elector has

**ENGROSSED ASSEMBLY BILL 700****SECTION 97**

1 filed a valid application for the ballot under sub. (1). If the clerk transmits an  
2 absentee ballot under this paragraph, the clerk shall also transmit a facsimile or  
3 electronic copy of the text of the material that appears on the certificate envelope  
4 prescribed in sub. (2), together with instructions prescribed by the board. The  
5 instructions shall require the absent elector to make and subscribe to the  
6 certification as required under sub. (4) and to enclose the absentee ballot in a  
7 separate envelope contained within a larger envelope, that shall include the  
8 completed certificate. The elector shall then mail the absentee ballot with postage  
9 prepaid to the municipal clerk. An absentee ballot received under this paragraph  
10 shall not be counted unless it is cast in the manner prescribed in this paragraph and  
11 in accordance with the instructions provided by the board.

12 **SECTION 98p.** 6.87 (4) of the statutes is amended to read:

13 6.87 (4) Except as otherwise provided in s. 6.875, the elector voting absentee  
14 shall ~~either make and subscribe to the affidavit before a person authorized to~~  
15 ~~administer oaths or~~ make and subscribe to the certification before ~~2 witnesses~~ one  
16 witness. The absent elector, in the presence of the ~~administrator of the oath or~~  
17 ~~witnesses~~ witness, shall mark or punch the ballot in a manner that will not disclose  
18 how the elector's vote is cast. The elector shall then, still in the presence of the  
19 ~~administrator of the oath or the 2 witnesses~~ witness, fold the ballots if they are paper  
20 ballots so each is separate and so that the elector conceals the markings or punches  
21 thereon and deposit them in the proper envelope, but. If a consolidated ballot under  
22 s. 5.655 is used, the elector shall fold the ballot if it is a paper ballot so that the elector  
23 conceals the markings thereon and deposit the ballot in the proper envelope. The  
24 elector may receive assistance under sub. (5). The return envelope shall then be  
25 sealed. The ~~witnesses or the official oath administrator~~ witness may not be a

2 in person, to the municipal clerk issuing the ballot or ballots. Failure to return an  
3 unused ballot in a primary does not invalidate the ballot on which the elector's votes  
4 are cast. Return of more than one marked or punched ballot in a primary or return  
5 of a ballot prepared under s. 5.655 or a ballot used with an electronic voting system  
6 in a primary which is marked or punched for candidates of more than one party  
7 invalidates all votes cast by the elector for candidates in the primary.
