 Decrease Existing Appropriation Decrease Existing Revenues
 Create New Appropriation

- Increase Costs - May be possible to Absorb Within Agency's Budget Yes No
 Decrease Costs

Local: No local government costs

1. Increase Costs
 Permissive Mandatory
 2. Decrease Costs
 Permissive Mandatory

3. Increase Revenues
 Permissive Mandatory
 4. Decrease Revenues
 Permissive Mandatory

5. Types of Local Governmental Units Affected:
 Towns Villages Cities
 Counties Others _____
 School Districts WTCS Districts

Fund Sources Affected

- GPR FED PRO PRS SEG SEG-S

Affected Ch. 20 Appropriations

Assumptions Used in Arriving at Fiscal Estimate:

This bill makes several significant changes to the OWI law. There is no fiscal effect on the Department of Justice since we receive no new duties. Increased costs to local governments could be substantial since it increases the mandatory minimums and maximums for most OWI offenses. It is hard to determine the local impact but this legislation will certainly affect the jail census at each facility.

Long-Range Fiscal Implications:
See above note.
