Assumptions Used in Arriving at Fiscal Estim	ate									
This hill would require that state licer	seed and	county cort	ifical	day care previ	daga and th	is completed as in a situal training				
This bill would require that state licensed and county certified day care providers and their employees receive training in the most current medically accepted methods of preventing sudden infant death syndrome (SIDS). DHFS is										
responsible for licensing group and f										
ensure that providers are aware of S	IDS nrow	y care lacilit vention infor	rcə. matir	on The Depar	tment would	comply with the requirement				
by providing the latest written materia	al on SIF	S prevention	n to	license annlica	nte and by r	mandating that required				
training courses for day care workers	in licen	sed facilities	incl	ncerise applica	on SIDS	NES has already included				
SIDS prevention as a required training										
institutions. It is therefore estimated										
government.				a oigimioant it	our choor or	Tule Department of on local
