Assumptions Used in Arriving at Fiscal Estimate

The bill creates a new continuing PR appropriation in DOA to disburse the proceeds from the sale of forest products at Fort McCoy.

Currently proceeds of \$63,820 have been received.

The bill provides a formula whereby half would go to Monroe County for roads, or \$31,910.

The other half would go to school districts in Monroe County based on number of pupils. DPI has estimates on the pupil count for the last year that would result in the following distribution.

Tomah School District \$14,195
Sparta School District \$13,150
Norwalk-Ontario School District \$ 2,075
Cashton School District \$ 2,490
