Assumptions Used in Arriving at Fiscal Estimate		
<p>Under current law, a pupil may attend school in a school district other than the one he or she resides under certain circumstances. This bill provides that beginning with applications submitted for attendance in a nonresident school district in the 2001-02 school year, a pupil may apply for admittance to no more than three nonresident school districts in any school year.</p> <p>State effect: There would be no state fiscal effect; however, the bill would reduce some administrative workload for the department.</p> <p>Local effect: There would be no local fiscal effect; however, the bill would reduce some administrative workload for school districts.</p>
