**Assumptions Used in Arriving at Fiscal Estimate**

This bill authorizes the Department of Veterans Affairs to accept donations on behalf of Wisconsin veterans for the construction of a World War II Memorial in Washington, D. C. The bill also provides up to \$166,100 in GPR spending authority to match the donations for this purpose.

The Department will incur staff and administrative costs as a result of its responsibility to obtain donations to match the GPR funds. The costs will include at least 25 percent of one staff person's time (\$12,000) and approximately \$15,000 in supplies and services, for a total of \$27,000. The supplies and services will be used for travel expense in meeting with various groups and organizations and for promotional materials to solicit funds. The Department can absorb these costs. However, there is a resulting opportunity cost. The Department will not be able to utilize these resources to conduct activities related to the Department's mission of helping Wisconsin veterans.

The fiscal effect of this bill is a one-time increase of spending authority of \$166,100 in GPR and the expenditure of \$27,000 of existing SEG funds for the Department of Veterans Affairs.
