Assumptions Used in Arriving at Fiscal Estimate:

This bill increases the state supplement to federal moneys received for nutrition projects for the elderly by creating program revenue appropriations within the Department of Health and Family Services funded from tribal gaming receipts. The bill funds home-delivered meals at \$450,000 and congregate meals at \$50,000 in fiscal year 2001.

There are sufficient uncommitted tribal gaming receipts in fiscal year 2001 to fund these two new DHFS appropriations within the current base.

Long-Range Fiscal Implications:

None
