Affected Ch. 20 Appropriations

20.566 (1)(gb)

Assumptions Used in Arriving at Fiscal Estimate:

The bill eliminates the business tax registration fee currently charged by the Department of Revenue to businesses registering for various taxes administered by the Department. This would reduce program revenues by \$1,513,500.

The Department's business tax registration function, including 23.4 FTE, would continue. However, there would be no source of funding for this function and these positions.

Long-Range Fiscal Implications:
