Affected Ch. 20 Appropriations

Assumptions Used in Arriving at Fiscal Estimate:

This proposal would create a sales and use tax exemption for gun safes. Presumably, the exemption would be limited to safes specifically designed for the storage of guns, and would not be allowed for sales of other safes, even if they were used to store guns. In addition, other items used for gun storage, such as lockable gun cabinets and racks, would remain taxable tangible property.

Data on the sales of gun safes are not available, so an estimate of the revenue loss is not possible.
