Assumptions Used in Arriving at Fiscal Estimate:

This bill prohibits a person from intentionally absconding from a service station, garage or other place where gasoline or diesel fuel is sold at retail or offered for sale at retail without paying for the gasoline or diesel fuel. A person may be subject to a forfeiture and, in addition, a court must suspend the person's motor vehicle operating privileges for not more than six months.

The county district attorneys would have jurisdiction over this type of incident. Therefore, the Department of Justice would not experience any fiscal effect.
