Assumptions Used in Arriving at Fiscal Estimate

This bill makes various changes to the Children's Code and the Juvenile Justice Code regarding reasonable efforts to prevent removal of a child from his or her home and the opportunity of substitute care providers to be heard at certain hearings. It does not appear that enactment of this bill would have a fiscal effect on the State Public Defender's Office.

The SPD has no data from which to estimate local government costs.

Long-Range Fiscal Implications

None anticipated.
