Assumptions Used in Arriving at Fiscal Estimate <p>Under the bill, the Kickapoo Reserve would not be subject to zoning ordinance of any county or municipality, except those governing upland environmental corridors. Because the Reserve was created to allow persons to enjoy outdoor activities and the natural resources within Reserve boundaries, it is unlikely that commercial development and corresponding zoning enforcement or regulation would occur on the Reserve.</p> <p>Because of the unlikelyhood of any development occurring on the reserve, and the lack of expertise in zoning regulations, it would be difficult for the Department to calculate an accurate estimate of any potential local government cost associated with this legislation.</p> <p>Local Government Costs: Indeterminable</p>
