**Assumptions Used in Arriving at Fiscal Estimate**

This bill increases the penalties for driving while under the influence (OWI) convictions if the alcohol concentration is 0.18 or higher. The penalties increase as the number of previous OWI convictions increases. This bill will increase the number of OWI cases that go to trial and thus increase the DA offices' workload. The number of additional cases is not known.

**Long-Range Fiscal Implications**

The impact of this change should be monitored to determine if additional prosecutorial resources are needed.
