

1999 ASSEMBLY RESOLUTION 20

November 3, 1999 - Introduced by Representatives PETTIS, JENSEN, HAHN, SPILLNER, SUDER, RYBA, HUTCHISON, SYKORA, KELSO, KEDZIE and GOETSCH. Referred to Committee on Rules.

1 **Relating to:** memorializing Congress to enact the Internet Access Charge
2 Prohibition Act of 1999.

3 Whereas, the Internet has become a global resource and continues to grow and
4 generate tremendous social and economic benefits to the people of this state; and

5 Whereas, the growth of the Internet has been due in large part to the absence
6 of intrusive governmental intervention such as by the Federal Communications
7 Commission; and

8 Whereas, the imposition of Internet access charges by the Federal
9 Communications Commission would thwart the growth of the Internet to the
10 detriment of the people of this state; and

11 Whereas, H.R. 1291, which is entitled, the Internet Access Charge Prohibition
12 Act of 1999, has been introduced in the United States House of Representatives; and

13 Whereas, the Internet Access Charge Prohibition Act of 1999 prohibits the
14 Federal Communications Commission from imposing Internet access charges on
15 interactive computer services or any other information service provider; and
