DOUGLAS LA FOLLETTE

SECRETARY OF STATE
WISCONSIN

MEMORANDUM

TO: Members/Assembly Judiciary & Personal Privacy Committee
FROM: Juna Krajewski, Deputy/SOS
DATE: July 20, 1999
RE: Support of AB 386 -- Technical Revision to Notary Public Statute

Chapter 137.01 (3) (a), dealing with Notary Seal or Stamp, reads in part "The impression of the seal or the imprint of the rubber stamp shall state, 'Notary Public,' 'State of Wisconsin' and the name of the notary."

Although this language was included through revisions made in the past with the intent of limiting what may be included on a notary seal or stamp, occasionally individuals still try to include extraneous language because they say the statutory language does not exclude other language.

It has been the long standing interpretation by the Office of the Secretary of State that no other language may be included in the notary stamp or seal and those applications containing seal/stamp imprints containing additional language are thereby rejected. This often results in back-and-forth wrangling with some applicants who put their own interpretation on the statutory language and feel they have the right to include additional wording (i.e. the name of the county where the notary resides, additional titles, expiration dates, etc.).

To clarify this section of the Statutes, the Office encourages the Committee to support Assembly Bill 386, which provides for only the inclusion of the words "Notary Public", "State of Wisconsin", and the name of the notary, with no additional wording allowed.

Since the Office would try to schedule printing a revised Notary Handbook to coincide with the passage of any statutory revisions, **there should be no fiscal impact due to such a law revision.**

Thank you for your consideration of this request. If there are any questions, please call either Marjorie Robb, Administrator of the Government Records Division, at 6-8888 or me at 6-3470.
