Dear Representative Brandemuehl:

I am writing on behalf of constituents in my district to request a hearing on Assembly Bill 517 which relates to special distinguishing license plates for veterans of the Laos War.

This bill would provide for the issuance of special distinguishing license plates to veterans of the Laos War in Southeast Asia who served after July 1, 1961 and before July 1, 1978. It is my understanding that current law prohibits enumeration of special group license plates by legislative action, however, since other veterans groups have been given this privilege, I believe an exception is warranted in this case.

I thank you in advance for your time and attention in this matter. If you should have questions or concerns about this letter please feel free to contact me.

Sincerely,

Pedro A. Colón  
State Representative  
8<sup>th</sup> Assembly District
