Comments

[NOTE: All citations to "Manual" in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated September 1998.]

2. Form, Style and Placement in Administrative Code

- a. In s. Tax 9.69 (2) (a), the material after the statutory citation should be deleted. The statutory reference already includes the material that was added after the statutory citation.
- b. In s. Tax 9.69 (4), the escrow fund referred to should be consistently referred to as the "escrow fund," rather than the "escrow account."
- c. To the extent that "any other information the department may deem necessary," as referenced in s. Tax 9.69 (3) (b) 6., is currently known, it should be placed in the rule. [See also sub. (5) (d).]
- d. In s. Tax 9.69 (5) (intro.), the phrase "all of" should be inserted before the phrase "the following."
- e. The material in the note to s. Tax 9.69 (6) should be placed in a subsection at the beginning of the rule relating to scope or purpose.

5. Clarity, Grammar, Punctuation and Use of Plain Language

In s. Tax 9.69 (2) (f), does the phrase "similar intermediary" refer to both a distributor and a retailer? The sentence structure can be maintained by replacing the phrase "similar

intermediary” with either the phrase “intermediary similar to a distributor or a retailer” or the phrase “intermediary similar to a retailer.”

DEPARTMENT OF REVENUE
CLEARINGHOUSE RULE NUMBER 00-123
SECTION 227.19(2) AND (3), STATS., REPORT

Need for Proposed Rule

The rule is necessary to describe methods and requirements relating to collecting, maintaining and reporting data to ascertain the amount of Wisconsin excise tax paid each year, on cigarettes of each tobacco product manufacturer that elects to place funds in a qualified escrow fund or, if the department deems it appropriate, is a participating manufacturer under the Master Settlement Agreement. The information is necessary in order to be in compliance with 1999 Wis. Act 122, the model statute enacted as part of the Master Settlement Agreement with tobacco product manufacturers.

Public Hearing

A public hearing was held on September 18, 2000. Nobody appeared at the hearing to provide testimony or comment. One person appeared but did not wish to register or speak.

Legislative Council Staff Recommendations

All recommendations of the Legislative Council staff have been incorporated into the proposed rule, except as follows:

- Comment 2.a - The change in s. Tax 9.69(2)(a) was not made. The additional material is necessary to avoid confusion, because the definition of "cigarette" in s. 139.30(1), Stats., does not include "roll-your-own" cigarette tobacco.
- Comment 2.c - No additional information is added in s. Tax 9.69(3)(b)6. or (5)(d), because the department is not aware of any additional information it may deem necessary.
- Comment 2.e - The note at the end of s. Tax 9.69 is not changed because all rules of the Department of Revenue contain a note at the end of the rule, relating to what statutes the section interprets.

Regulatory Flexibility Analysis

The proposed rule order does not have a significant economic impact on a substantial number of small businesses.

**ORDER OF THE DEPARTMENT OF REVENUE
ADOPTING AN EMERGENCY RULE**

The Wisconsin Department of Revenue hereby adopts an emergency rule interpreting subchs. II and III of ch. 139, Stats., and s. 895.10(4), Stats., relating to the Master Settlement Agreement between the state of Wisconsin and tobacco product manufacturers.

Analysis by the Department of Revenue

Statutory authority: ss. 227.24 and 895.10(4), Stats.

Statutes interpreted: subchs. II and III of ch. 139, Stats., and s. 895.10, Stats.

SECTION 1. Tax 9.69 is created, to describe methods and requirements relating to collecting, maintaining and reporting data to ascertain the amount of Wisconsin excise tax paid each year, on cigarettes of each tobacco product manufacturer that elects to place funds in a qualified escrow fund or, if the department deems it appropriate, is a participating manufacturer under the Master Settlement Agreement. The information is necessary in order to be in compliance with 1999 Wis. Act 122, the model statute enacted as part of the Master Settlement Agreement with tobacco product manufacturers.

PROMULGATION OF EMERGENCY RULE

Under a nonstatutory provision in 1999 Wis. Act 122, the Department of Revenue is authorized to promulgate an emergency rule. The emergency rule is for the purpose of setting forth the requirements and methods to be used to ascertain the amount of Wisconsin excise tax paid each year, on cigarettes of each tobacco product manufacturer that elects to place funds in a qualified escrow fund or, if the department deems it appropriate, is a participating manufacturer under the Master Settlement Agreement between the state and tobacco product manufacturers. The emergency rule shall cover the period from the effective date of Act 122, May 23, 2000, to the date a permanent rule becomes effective. (Note: The department is required under s. 895.10(4), Stats., as created by 1999 Wis. Act 122, to promulgate a rule and is required under a nonstatutory provision to submit a proposed permanent rule to the Legislative Council by September 1, 2000.)

A nonstatutory provision in 1999 Wis. Act 122 provides that the department is not required to provide a finding of emergency or to provide evidence that an emergency rule is necessary for the preservation of the public peace, health, safety or welfare.

The rule is therefore promulgated as an emergency rule without a finding of emergency and without evidence that an emergency rule is necessary for the preservation of the public peace, health, safety or welfare. The rule shall take effect upon publication in the official state newspaper and shall apply retroactively to sales of cigarettes on or after May 23, 2000, as provided in s. 895.10(2)(intro.), Stats., as created by 1999 Wis. Act 122. Certified copies of this rule have been filed with the Secretary of State and the Revisor of Statutes, as provided in s. 227.24, Stats.

SECTION 1. Tax 9.69 is created to read:
