February 21, 2000

Senator Rodney C. Moen
Room 8 South
State Capitol
Madison, WI 53702

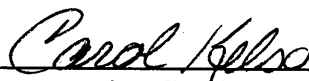

Dear Rod:

We are responding to your recent letter requesting, on behalf of the Senate Committee on Health, Utilities, Veterans and Military Affairs, that the Joint Legislative Council undertake a study on personal care services in Wisconsin.

As you know, the Joint Legislative Council will next establish topics to be studied in Spring 2000, once the 1999 Legislature completes its work. We will ensure that your request for this study is placed on file for consideration at that time.

Thank you for your recommendation and for your continued interest in the work of the Joint Legislative Council.

Sincerely,

Representative Carol Kelso, Cochairperson
Joint Legislative Council

Senator Fred A. Risser, Cochairperson
Joint Legislative Council
