Re: Assembly Bill 119 — Prohibiting Police Quotas

The League of Wisconsin Municipalities was opposed to the provisions in Assembly Bill 119, relating to prohibiting citation or arrest quotas. However, we will remove our opposition if Assembly Amendment 1 to A.B. 119, introduced by Rep. Brandemuehl, is adopted and is the only amendment adopted in both houses.

The League opposed A.B. 119 because it eliminated a tool for measuring the performance of law enforcement officers. We believe this amendment addresses that concern.

For this reason, we would remove our opposition to A.B. 119 as amended by A. Amend. 1. Thank you for your consideration.

Re: 1999 Assembly Bill 119

Dear DuWayne:

The Wisconsin Chiefs of Police Association has authorized me to inform you that the Association will not oppose AB 119 in the Assembly and Senate, if Representative Brandemuehl's amendment (LRB 0273/2) is adopted and is the only amendment adopted in both houses to AB 119.

You had asked me if the Association would make this commitment in writing. They have authorized me to do so and the above represents both their and my commitment to not oppose AB 119 so long as 1) the amendment cited above is adopted, and 2) that is the only change made to the Bill in legislative consideration.

I will be in touch to discuss this matter further.

Sincerely,

Michael R. Vaughan

RE: Assembly Bill 119 – Prohibiting Quotas

On behalf of the Wisconsin Troopers' Association, I respectfully request and urge your support of Assembly Bill 119 (AB 119), which prohibits the use of quotas in the enforcement of Wisconsin's traffic laws. The Assembly Committee on Transportation recommended AB 119 for passage on a vote of 6-1, and the Wisconsin Assembly passed this bill on a vote of 96-2.

The legislation is modeled after the law in neighboring states of Minnesota, Iowa, and Michigan, each of which prohibits quotas. Such legislation enhances a law enforcement officer's ability to do his/her job, and it improves a law enforcement supervisor's ability to effectively evaluate all areas contributing to an officer's job performance.

Quotas should be prohibited for several reasons:

- **Quotas interfere with public safety.** Law enforcement officers are highly trained in effective law enforcement principles. They need the discretion to make common sense decisions based on that training. An officer should not have to compromise that intelligence with the burden of meeting a quota.
- **Quotas are not a good measure of a law enforcement officer's performance.** Law enforcement is more than writing tickets. It is education, assistance, traffic control, accident and crime prevention, investigation and reporting. Integrity, leadership, and the ability to promote public safety can not be measured by simply looking at the number of tickets an officer produces.
- **Quotas promote the view that law enforcement exists solely as a means to raise revenues.** That hurts Wisconsin's image as a tourism state. It detracts from traffic enforcement's true purpose of promoting and ensuring public safety.
- **Quotas hinder the judicial process.** Quotas hurt the case for prosecution. Defense attorneys may successfully use the existence of a quota to defeat the prosecution's case.
- **Quotas misdirect limited resources.** Requiring officers to fill ticket quotas is a waste of limited resources and defies common sense – an obstacle to public safety.

For these reasons, I ask your support of this bill. AB 119 is positive law enforcement legislation for Wisconsin. Thank you for your attention to this very important issue.

Proud Member of the National Troopers Coalition
