RE: Proposed Administrative Rules

---

Below, please find the description of a proposed administrative rule recently referred to the Senate Committee on Insurance, Tourism, Transportation & Corrections. For your reference, I have included a brief summary of the rule, prepared by the department. If you would like a copy of any of these rules, or if you would like to request a hearing, please contact Vaughn in my office before *Friday, April 23, 1999*.

**CLEARINGHOUSE RULE 98-193; *Relating to holding juveniles in municipal lockup facilities.***  
Under current rule a municipal lockup facility may not hold juveniles. This proposed rule would, in accordance with 1997 Wis. Act 296, permit the holding of juveniles in municipal lockup facilities if the facility meets certain criteria. The municipal facility may only hold the juvenile for no more than six hours. There must also be sight and sound separation between any juveniles and adults being held in the lockup. Finally, the lockup facility may only hold the juvenile for investigative purposes.
