Senator Gary George, Chairman
Senate Committee on Judiciary and Consumer Affairs
118 South, State Capitol
Madison, Wisconsin 53707

Dear Senator George:

I have introduced the following bills which have been referred to your committee:

<i>Assembly Bill 37</i>	Relating to burglary and providing a penalty.	Passed Assembly Criminal Justice Committee 9-4. Passed the full Assembly on a voice vote.
<i>Assembly Bill 109</i>	Relating to release of persons arrested for certain crimes against children.	Passed Assembly Judiciary and Personal Privacy Committee 9-0. Passed the full Assembly 95-0.
<i>Assembly Bill 72</i>	Relating to the disclosure of juvenile records by a juvenile court or a municipal court.	Passed the Assembly Children and Families Committee 10-0. Passed the full Assembly 97-0.

I would greatly appreciate it if you would schedule these bills for a public hearing in your committee. They have been referred to the Senate for the last 10 months and had bi-partisan support in the Assembly. The legislation helps to strengthen the safety of our communities and schools. Please give them your consideration.

Sincerely,

A handwritten signature in cursive script that reads 'Bonnie'.
