Analysis by the Legislative Reference Bureau

Under current law, a timber sale that has an estimated value of \$3,000 or more is subject to certain advertising requirements if the timber comes from a state forest, a county forest, or a forest under the jurisdiction of a city, village, town, or school district. Under current law, a classified advertisement announcing the sale must be placed twice in a newspaper having general circulation in the county in which the timber is located. Under the bill, the advertisement must be a display advertisement that is two or more columns wide in size.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
