Under current law, ~~the department of health and family services (DHFS)~~ must award grants of general purpose revenues ~~in the amount of~~ \$3,075,000 in each of fiscal years 2001-02 and 2002-03 to community health centers (health care entities that provide primary health care, health education, and social services to low-income persons). The grants include specified amounts to a community health center in Milwaukee, a nurse-managed community health center in Milwaukee, Health-Net of Janesville, Inc., and supplementary amounts to community health centers that receive federal migrant health center moneys.
