Andy: CN 5539 deals with layoff priorities. The current draft (LRBb2944/2) would make this applicable to not only executive branch agencies (excluding the UW) but also the Courts and the Legislature. Is that the intent or was it intended that this apply only to the executive branch? Please let me know. Thanks.

Rick: It was my impression that this language would apply to any required reductions under the budget repair bill, not just Section 9259 reductions. Should I clarify or did you get additional specific instructions? Let me know. Thanks.
