Department of Health and Family Services  
2001-03 Biennial Budget Statutory Language Request  
July 14, 2000

## Title: Tribal Funding and Brighter Futures

### Current Language

(c) (intro.)

46.99 (2) specifies the amounts to be awarded for services in Milwaukee County and other counties in the state.

46.995 (1m) specifies the allocation to the Tribes for Tribal Adolescent Services.

46.995 (4m) specifies the allocation to the Tribes for adolescent services.

### Proposed Change

(b) (intro.)

46.99 (2). Change the allocation to non Milwaukee counties from \$1,229,300 to \$1,199,300.

46.995 (1m). Change the allocation to the Tribes from \$172,500 from appropriation (3)(km) to \$195,000. Change the allocation to the Tribes from \$7,500 from appropriation (3)(eg) to \$15,000.

46.995 (4m). Change the amount allocated to the Tribes from \$30,000 to \$60,000.

### Effect of the Change

These changes will increase the allocation to the Tribes by \$30,000 and decrease the allocation to non Milwaukee counties by the same amount.

### Rationale for the Change

The Brighter Futures initiative consolidated numerous categorical programs and placed the funding for those programs in three appropriations to reflect the federal and state funds that will support the initiative. The level of funding remains the same as it was when the categorical programs were funded. Brighter Futures does specify the amount of funding to be allocated to programs for services in Milwaukee County, services in the other counties and services provided by the Tribes. The amounts specified for each of these three groups reflects the amounts that had been spent prior to the Brighter Futures initiative. Since passage of the 1999 - 2001 biennial budget, it was determined that the Department had inadvertently included \$30,000 in the non Milwaukee counties allocation that had been allocated to the Tribes. The proposed change increases the allocation to the Tribes by \$30,000 and reduces the allocation to non Milwaukee counties by the same amount. Both the increase and reduction are split to provide 25% GPR and 75% federal funding (\$7,500 GPR and \$22,500 PRS/TANF), the same funding split used in the 1999 - 2001 biennial budget.

**HEALTH AND HUMAN SERVICES**

**CHILDREN**

Under current law, the department of health and family services (DHFS) is required to distribute grants to nonprofit organizations and public agencies operating in Milwaukee County and to county departments of human services, social services, community programs, or developmental disabilities services (county departments) operating in counties other than Milwaukee County for programs to prevent and reduce the incidence of youth violence and other delinquent behaviors, youth alcohol and other drug abuse, child abuse and neglect, and adolescent pregnancy; to increase the use of abstinence as a method of preventing nonmarital pregnancy; and to increase adolescent self-sufficiency by encouraging high school graduation, vocational preparedness, improved social and other interpersonal skills, and responsible decision-making (brighter futures initiative). Also, under current law, DHFS may provide grants to federally recognized American Indian tribes or bands for, among other things, the provision of information to members of the tribe or band about problems of adolescents and information to and activities for adolescents to aid in developing skills with respect to reducing adolescent pregnancy and high school dropout rates; increasing economic self-sufficiency and expanding career options; enhancing self-esteem, interpersonal skills, and responsible decision making; and neutralizing sex-role stereotyping and bias (adolescent choices project

grants). This bill decreases by \$30,000<sup>✓</sup> in each fiscal year the amount allocated for grants to county departments operating in counties other than Milwaukee County under the brighter futures initiative<sup>✓</sup> and increases by \$30,000 in each fiscal year the amount allocated for adolescent choices project grants to federally recognized American Indian tribes or bands.
