Manyee Wong:

This draft is identical to LRB-0355/3, <sup>✓</sup> except that instead of amending s. 342.14 (1r) <sup>o</sup>  
I have repealed and recreated it with the new expiration date. In addition, I have  
removed the effective date provision so that the general effective date for the budget  
bill applies (July 1, 2001, or the day after publication, whichever is later). If, as is likely,  
the budget bill does not become law at least until some time in August 2001, there will  
be no statutory authority to collect the environmental impact fee from July 1, 2001, to  
the date the budget bill becomes law.
